

# 1-PIECE COATED RIFLE CLEANING RODS - WESTERN POWDERS

## 27-50 CALIBER 44" 8-32F CLEANING ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

One piece, coated spring steel cleaning rods push a brush or jag through the toughest fouling without bending. Dirt and grit won't cling to the proprietary, nonembedding coating for extra protection of your prized rifle's bore. The machined aluminum handle is slim enough to avoid contact with the stock when cleaning from the breech, while still comfortable and easy-to-grasp for excellent control. Bearings at each end of the handle let the rod rotate smoothly to keep the jag or brush fully in contact with the rifling. Color-coded handles help you make sure you pick up the correct-caliber rod. Each rod has a soft aluminum ferrule at the threaded end to help protect the breech or muzzle from damage.

### Attributes

- Name: [WESTERN POWDERS 27-50 CALIBER 44" 8-32F CLEANING ROD](#)
- Manufacturer: [WESTERN POWDERS](#)
- Product no.: 100007975
- Mfr. No.: 9190
- Caliber: 50 Caliber (.500-.501)
- Length: 44
- Material: Stainless
- Style: Rifle
- Delivery weight: 0.522kg
- Shipping height: 25mm
- Shipping width: 25mm
- Shipping length: 1,334mm
- UPC: 658638291903

# Safety Instruction Guide for 1Piece Coated Rifle Cleaning Rods

## Introduction

Thank you for choosing the 1Piece Coated Rifle Cleaning Rods by Western Powders. This guide provides essential safety instructions to ensure the safe use and maintenance of your cleaning rod. Please read this guide carefully before use to protect yourself and your equipment.

## General Safety Guidelines

- Always handle cleaning rods with care to avoid injury.
- Keep cleaning rods out of reach of children and vulnerable individuals.
- Inspect the cleaning rod for any signs of damage before each use.
- Use the cleaning rod only for its intended purpose as specified in this guide.
- Store the cleaning rod in a safe and dry place when not in use.
- Be aware of your surroundings and ensure that no one is in the vicinity when cleaning your rifle.

## Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear safety glasses when using the cleaning rod to protect your eyes from debris.
- **Proper Handling:** Hold the cleaning rod firmly by the handle to maintain control during use.
- **Avoid Bending:** Do not force the cleaning rod through any obstruction to prevent bending or damage.
- **Cleaning Area:** Use the cleaning rod in a wellventilated area to avoid inhaling any cleaning solvents or residues.
- **Thread Compatibility:** Ensure that the cleaning rod is compatible with your rifle's threading to avoid damage.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary cleaning supplies, including brushes, jags, and cleaning solvents.
- Ensure the rifle is unloaded and pointed in a safe direction.

### 2. Attaching the Brush or Jag:

- Select the appropriate brush or jag for your rifle caliber.
- Align the brush or jag with the threaded end of the cleaning rod.
- Screw the brush or jag onto the cleaning rod until secure.

### 3. Cleaning Procedure:

- Insert the cleaning rod into the rifle's breech, ensuring it is aligned with the bore.
- Gently push the cleaning rod through the bore, allowing the brush or jag to clean the rifling.
- Rotate the cleaning rod as needed to maintain contact with the rifling.
- Repeat the process until the bore is clean.

### 4. PostCleaning:

- Remove the brush or jag from the cleaning rod after use.
- Clean the cleaning rod with a soft cloth to remove any residue.

- Store the cleaning rod in a safe location.

## Disposal Instructions

- Dispose of any cleaning solvents and used brushes according to local regulations.
- Do not dispose of the cleaning rod in regular household waste if it is damaged. Instead, contact local waste management for proper disposal methods.

## Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of your 1Piece Coated Rifle Cleaning Rods, please refer to the product packaging for contact information.

## Conclusion

By following these safety instructions, you can ensure a safe and effective cleaning experience for your rifle. Thank you for your attention to safety, and enjoy using your new cleaning rod.
