

WEAPON SHIELD CLP OIL - STEEL SHIELD TECHNOLOGIES WEAPON SHIELD OILER PEN

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

Clears Out Fouling, Minimizes Wear Of Moving Parts & Fights Corrosion

A powerful lubricant, cleaner, and preservative aggressively formulated for use in firearms that run HARD. Weapon Shield™ cleans out carbon fouling, removes lead deposits, lubricates, and guards against extreme pressure and wear. And it's great at fighting corrosion, too. Its Advanced Boundary Film (ABF) technology reduces that coefficient of friction between the bullet and bore surface, improving the ballistic movement of the bullet to help promote more consistent groups and fewer flyers. Weapon Shield Grease for maximum lubricating effectiveness or for fast-moving parts where oil just "slings off". Weapon Shield Solvent effectively breaks up carbon fouling and helps remove lead residue from the bore without using toxic volatile chemicals. Maintenance Kit is a complete suite of products to clean, lubricate, and protect your firearms. Contains a ¼ fl. oz. needle oiler AND 4 fl. oz. bottle of Weapon Shield cleaner-lubricant-protectant, a 4 fl. oz. bottle of solvent, and a Weapon Shield Grease syringe.

Attributes

- Name: [STEEL SHIELD TECHNOLOGIES WEAPON SHIELD OILER PEN](#)

Safety Instruction Guide for STEEL SHIELD TECHNOLOGIES WEAPON SHIELD CLP OIL and OILER PEN

Introduction

Thank you for choosing STEEL SHIELD TECHNOLOGIES WEAPON SHIELD CLP OIL and OILER PEN. This product is designed to provide powerful lubrication, cleaning, and preservation for firearms. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always follow the manufacturer's instructions for use.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose.
- Store in a cool, dry place away from direct sunlight and heat sources.
- In case of accidental ingestion or contact with eyes, seek medical attention immediately.

Specific Safety Precautions for Use

- Ensure adequate ventilation when using the product to avoid inhaling fumes.
- Avoid prolonged skin contact. Wear gloves if necessary to prevent irritation.
- Do not use near open flames or sparks, as the product is flammable.
- Use appropriate personal protective equipment (PPE) such as safety goggles and gloves when handling the product.
- Do not mix with other chemicals or products unless specified by the manufacturer.

Instructions for Installation and Usage

• Preparing for Use:

- Shake the container gently before use to ensure even distribution of the product.
- Ensure that the firearm is unloaded and in a safe condition before applying the product.

• Application of CLP Oil:

- Apply a small amount of Weapon Shield CLP Oil to the desired area using the needle oiler for precision.
- Allow the product to penetrate and lubricate the surfaces.
- Wipe off excess oil with a clean cloth.

• Using the Oiler Pen:

- Remove the cap from the oiler pen.
- Apply a small amount of grease to areas that require lubrication, particularly on moving parts.
- Replace the cap securely after use to prevent contamination.

• Cleaning with Solvent:

- Apply Weapon Shield Solvent to a clean cloth or patch.
- Wipe down the bore and other parts to remove carbon fouling and lead deposits.
- Dispose of used cloths and patches safely.

- **Storing the Product:**

- Store the product in its original container with the lid tightly closed.
- Keep in a location that is inaccessible to children and pets.

Disposal Instructions

- Dispose of empty containers and any unused product in accordance with local regulations.
- Do not pour down drains or dispose of in household waste.
- Contact your local waste disposal authority for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding product safety or usage, please reach out to your local dealer or the manufacturer's customer service. Ensure you have the product details ready for reference.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective experience with STEEL SHIELD TECHNOLOGIES WEAPON SHIELD CLP OIL and OILER PEN. Thank you for your commitment to safety and responsible use.
