

# WEAPON SHIELD CLP OIL - STEEL SHIELD TECHNOLOGIES WEAPON SHIELD 16OZ

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

## Clears Out Fouling, Minimizes Wear Of Moving Parts & Fights Corrosion

A powerful lubricant, cleaner, and preservative aggressively formulated for use in firearms that run HARD. Weapon Shield™ cleans out carbon fouling, removes lead deposits, lubricates, and guards against extreme pressure and wear. And it's great at fighting corrosion, too. Its Advanced Boundary Film (ABF) technology reduces that coefficient of friction between the bullet and bore surface, improving the ballistic movement of the bullet to help promote more consistent groups and fewer flyers. Weapon Shield Grease for maximum lubricating effectiveness or for fast-moving parts where oil just "slings off".

Weapon Shield Solvent effectively breaks up carbon fouling and helps remove lead residue from the bore without using toxic volatile chemicals. Maintenance Kit is a complete suite of products to clean, lubricate, and protect your firearms. Contains a ¼ fl. oz. needle oiler AND 4 fl. oz. bottle of Weapon Shield cleaner-lubricant-protectant, a 4 fl. oz. bottle of solvent, and a Weapon Shield Grease syringe.

## Attributes

- Name: [STEEL SHIELD TECHNOLOGIES WEAPON SHIELD 16OZ](#)
- Manufacturer: [STEEL SHIELD TECHNOLOGIES](#)
- Product no.: 100007983
- Mfr. No.: WS-1WS
- Size: 16 oz
- Delivery weight: 0.499kg
- UPC: 894630001342

# Safety Instruction Guide for STEEL SHIELD TECHNOLOGIES WEAPON SHIELD CLP OIL

## Introduction

Thank you for choosing the STEEL SHIELD TECHNOLOGIES WEAPON SHIELD CLP OIL. This product is designed to serve as a powerful lubricant, cleaner, and preservative for firearms. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always store the product in a cool, dry place away from direct sunlight.
- Keep the product out of reach of children and pets.
- Do not ingest the product. If ingested, seek medical attention immediately.
- Avoid contact with eyes and skin. In case of contact, rinse thoroughly with water and seek medical advice if irritation occurs.
- Use only as directed. Misuse can lead to unsafe conditions.
- Ensure proper ventilation when using the product to avoid inhalation of fumes.
- Dispose of any unused product in accordance with local regulations.

## Specific Safety Precautions for Use

- **Flammability:** The product is flammable. Keep away from open flames and heat sources.
- **Toxicity:** Use gloves when handling the product to prevent skin irritation and allergic reactions.
- **Pressure:** Avoid using the product in environments where extreme pressure could cause leaks or spills.
- **Surface Compatibility:** Test on a small area before applying to ensure compatibility with the surface of your firearm.
- **Corrosive Materials:** Do not mix with other chemicals or solvents that may react negatively.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and in a safe condition before applying the product.
- Gather all necessary materials, including a clean cloth, gloves, and any additional tools you may need.

### 2. Application:

- For cleaning:

- Apply Weapon Shield Solvent directly to the areas needing cleaning.
- Allow the solvent to penetrate for a few minutes to break down carbon fouling and lead deposits.
- Wipe the surface with a clean cloth.

- For lubrication:

- Use the provided needle oiler to apply Weapon Shield CLP Oil to the moving parts of the firearm.
- Ensure that all parts are adequately lubricated without oversaturation.

- For preservation:

- After cleaning and lubrication, apply a thin layer of Weapon Shield Grease to protect against corrosion and wear.

### **3. PostApplication:**

- Allow the product to dry completely before handling the firearm.
- Store the product in its original container with the lid tightly closed.

## **Disposal Instructions**

- Dispose of any unused product and empty containers in accordance with local waste disposal regulations.
- Do not pour the product down drains or into the environment.
- Contact your local waste management authority for guidance on safe disposal practices.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of this product, please refer to the manufacturer's contact information provided on the packaging or the official website.

This safety instruction guide is designed to help you use the STEEL SHIELD TECHNOLOGIES WEAPON SHIELD CLP OIL safely and effectively. Always prioritize safety and follow these guidelines to ensure a positive experience with your product.
