

AR 556 CLAYMORE MUZZLE BRAKE 22 CALIBER - TROY INDUSTRIES

CLAYMORE MUZZLE BRAKE 22 CALIBER 1/2-28 STEEL BLACK

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

Compact brake is designed to direct both blast and noise forward, away from the shooter, to effectively dampen recoil for better control. Brake gives an extremely low dust signature and features a recessed crown with a raised saw tooth rim that allows secondary use as a breaching device. Humorously inscribed with "Point Toward Enemy" and large arrow. Models available to fit rifles chambered in 5.56/.223.

Safety Instruction Guide for AR 556 Claymore Muzzle Brake 22 Caliber

Introduction

Thank you for choosing the AR 556 Claymore Muzzle Brake 22 Caliber by Troy Industries. This product is designed to enhance your shooting experience by effectively managing recoil and directing blast and noise forward. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always treat the muzzle brake as if it is loaded.
- Ensure that you are in a safe environment when installing or using the muzzle brake.
- Keep the muzzle brake out of reach of children and unauthorized users.
- Familiarize yourself with local laws and regulations regarding the use of muzzle brakes and firearms.
- Regularly inspect the muzzle brake for any signs of wear or damage before each use.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing the muzzle brake.
- Use only with firearms chambered in 5.56/.223 caliber.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure that there is a safe backstop when firing.
- Do not exceed the recommended load specifications for your firearm.
- Follow all manufacturer guidelines for your specific firearm model.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Clean the threads of the muzzle to remove any debris or obstructions.
- Align the muzzle brake with the threads on the muzzle of the firearm.
- Handtighten the muzzle brake onto the threads until secure.
- Use a wrench if necessary, but avoid overtightening which may damage the threads.

2. Usage:

- After installation, ensure that the muzzle brake is securely attached before firing.
- Use the firearm only in accordance with the manufacturer's instructions.
- Always check the muzzle brake for proper alignment and security after each use.
- If you experience excessive recoil or noise, stop using the muzzle brake and inspect for damage.

Disposal Instructions

- Dispose of the muzzle brake in accordance with local regulations.
- Do not dispose of the muzzle brake in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact resources, or consult your local authorities for guidance.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our priority. Enjoy your shooting experience with the AR 556 Claymore Muzzle Brake 22 Caliber.
