[Shooting Accessories](#) > [Range Gear](#) > [Magazine Storage Pouches](#)

High Speed Gear's Double Decker TACO® magazine carrier combines their modular rifle mag pouch and a modular pistol mag pouch into one secure unit. This unique pouch can securely hold a variety of combinations of mags and other accessories. The original TACO® forms the base and USGI, HK, PMAG, ARC, FAL, AK 30/ 40, LR20 and M14 magazines are all held securely and deployed easily and silently on demand. The HSGI TACO® even works for certain radios, flash bangs and smoke grenades providing versatility while taking up only 3" horizontal inches on your platform. On top, they attached a Pistol TACO®. This versatile pouch will hold almost any pistol magazine. Single stack, double stack; it makes no difference. 1911, HK 45, M9/Beretta 92, Glock, XD mags are all held securely and deployed easily and silently on demand. The HSGI Pistol Taco® can also hold a variety of multi-tools and flashlights. Both Taco pouches are made of Cordura, an injection molded polymer and shock-cord. The pouches both maintain a positive, adjustable grip of the mag and do not require any other securing systems unless desired. Webbing tabs are sewn in on the top for use of "over the top" bungee retainers (not included). Additional loop Velcro® is sewn in the inside of the rifle pouch if the user wishes to utilize adhesive backed hook Velcro on their magazine body for added security.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the product for any signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals when not in use.
- Avoid using the product in extreme weather conditions that may compromise its integrity.
- Report any unsafe conditions or accidents associated with the product to the appropriate authorities.

Specific Safety Precautions for Use

- Always secure the magazines and accessories properly within the carrier to avoid accidental discharge or injury.
- Do not overload the carrier beyond its intended capacity.
- Ensure that the carrier is attached securely to your platform before use.
- Avoid sharp objects that may puncture or damage the pouch material.
- If using adhesivebacked hook Velcro, ensure it is applied correctly to prevent detachment during use.

Instructions for Installation and Usage

1. Installation:

- Attach the Double Decker TACO® to your platform using the MOLLE system.
- Ensure the attachment is secure and stable before proceeding to load magazines.
- If using bungee retainers, thread them through the webbing tabs sewn into the top of the pouch.

2. Loading Magazines:

- Insert the rifle magazine into the original TACO® section, ensuring it is seated properly.
- For pistol magazines, place them into the Pistol TACO® section on top.
- Adjust the grip of the pouches as necessary to ensure a secure fit.

3. Usage:

- To access the magazines, pull them out gently and avoid sudden movements.
- After use, return the magazines to their respective pouches to maintain organization and safety.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding textile and plastic waste.
- If the product is damaged beyond repair, ensure it is disposed of safely to prevent any potential hazards.
