

AR-15/M16 MOUNT-N-SLOT SLING ATTACHMENT - Impact Weapons Components MOUNT-N-SLOT FOR MOE STOCK

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

Enables Attachment Of A QD Sling To A Magpul MOE Stock

Add-on aluminum receptacle lets you attach a pushbutton QD sling to a Magpul MOE® buttstock. Quickly installs in the webbing slot at the rear of the stock, and accepts both heavy-duty and standard QD sling swivels. Limits sling rotation to prevent wrapping and twisting, keeping your rifle accessible and ready for quick deployment. Rounded edges resist snagging on clothing and equipment. Mounts on either side of stock and blends in seamlessly with overall appearance.

Safety Instruction Guide for AR15/M16 MOUNTNSLOT SLING ATTACHMENT

Introduction

Thank you for choosing the AR15/M16 MOUNTNSLOT SLING ATTACHMENT by Impact Weapons Components. This product allows you to securely attach a pushbutton QD sling to your Magpul MOE® buttstock. It is designed for safe and efficient use, ensuring that your rifle remains accessible and ready for quick deployment. Please read this safety instruction guide carefully to ensure proper use and maintenance of your sling attachment.

General Safety Guidelines

- Always ensure that the sling attachment is compatible with your specific rifle model.
- Inspect the sling attachment regularly for any signs of wear or damage.
- Ensure that the mounting hardware is securely fastened before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

• Hazard Identification:

- Improper installation may lead to sling detachment, which can cause injury or loss of control of the firearm.
- Using incompatible sling swivels may result in failure during use.

• Avoiding Hazards:

- Always follow the installation instructions provided in this guide.
- Use only the recommended QD sling swivels that meet safety standards.
- Regularly check the integrity of the sling attachment and the surrounding stock area.
- Do not exceed the recommended weight limit for the sling attachment.

• AgeSpecific Warnings:

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Ensure that younger users are trained and supervised when handling firearms equipped with this sling attachment.

Instructions for Installation and Usage

1. Installation:

- Remove the buttstock from your rifle if necessary.
- Locate the webbing slot at the rear of the Magpul MOE® buttstock.
- Align the MOUNTNSLOT SLING ATTACHMENT with the webbing slot.
- Insert the attachment into the slot until it is fully seated.
- Secure the attachment using the provided mounting hardware.
- Tighten all screws until snug, ensuring the attachment is firmly in place.

2. Usage:

- Attach a pushbutton QD sling swivel to the MOUNTNSLOT SLING ATTACHMENT.
- Ensure the sling is properly adjusted to fit your body and allows for easy maneuverability.
- Regularly check the attachment and sling for any signs of wear or malfunction during use.
- Store your firearm in a safe and secure manner when not in use.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and plastic waste.
- If the product is damaged beyond repair, ensure it is disposed of in a way that prevents accidental use.

Contact Information for Further Support

For further inquiries regarding the safety and use of the AR15/M16 MOUNTNSLOT SLING ATTACHMENT, please refer to the manufacturer's website or contact your local dealer for assistance.
