

AR-15/M16 CARBINE RECOIL BUFFERS - SPIKES TACTICAL ST-T3 EXTRA-HEAVY BUFFER

[Rifle Parts](#) > [Receiver Parts](#) > [Recoil Parts](#) > [Recoil Buffers](#)

Helps Control Felt Recoil & Bolt Bounce

Machined aluminum recoil buffer comes in three weights, so you can select the buffer that gives the best combination of recoil control and reliability in your carbine with an M4-type adjustable stock. All have a mil-spec polyurethane bumper, durable hard-anodized finish, and the Spike's logo. ST-T1 is a standard-weight (3 oz.) buffer filled with low-density tungsten powder (LDTP) that eliminates the noise and shock caused by the hard reciprocating weights found in the original-style factory buffer. Aids in smoother cycling and helps minimize bolt bounce. ST-T2 is filled with high-density tungsten powder (HDTP) for extra weight (4.1 oz.) behind the carrier to reduce cycle rate. Help you stay on target in rapid-fire semi-auto operation and improves controllability in full-auto. ST-T3 gives the most aggressive reduction of felt recoil and bolt bounce with ultra-dense tungsten bar stock weights inside (5.4 oz.) for maximum recoil control in full-auto mode, suppressed weapons, or rifles that suffer from overgassing.

Attributes

- Name: [SPIKES TACTICAL ST-T3 EXTRA-HEAVY BUFFER](#)
- Manufacturer: [SPIKES TACTICAL](#)
- Product no.: 100008581
- Mfr. No.: SLA00T3
- Weapon type: AR-15
- Delivery weight: 0.113kg
- Shipping height: 10mm
- Shipping width: 74mm
- Shipping length: 109mm
- UPC: 855319005273

Item details

Made in USA

US export classification: 0A501.x

Safety Instruction Guide for AR15/M16 Carbine Recoil Buffers

Introduction

Thank you for choosing the AR15/M16 Carbine Recoil Buffers by Spikes Tactical. This guide provides essential safety information to ensure the safe use of your recoil buffer. Please read this document carefully before installation and use to understand the safety precautions and instructions associated with this product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the recoil buffer by following all instructions and guidelines provided in this document.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. Regularly check the EU's Safety Gate platform for updates.
- **Online Shopping:** If purchased online, ensure that the seller complies with EU safety requirements.
- **Special Consumer Focus:** This product is intended for adult users only. Keep out of reach of children.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Be aware of the Safety Gate system, which provides faster updates on unsafe products.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper installation or use can lead to firearm malfunction, which may cause injury or death.
 - Ensure that the recoil buffer is compatible with your AR15 carbine and M4type collapsible stock.
- **Avoiding Hazards:**
 - Always inspect the recoil buffer for any signs of damage before use.
 - Do not modify the recoil buffer in any way.
 - Ensure the firearm is unloaded before installing or replacing the recoil buffer.
- **AgeSpecific Warnings:**
 - This product is not intended for use by individuals under the age of 18.
 - Keep this product out of reach of children to prevent accidental injury.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is completely unloaded and pointed in a safe direction.
- Remove the existing buffer from the buffer tube by following the manufacturer's instructions for your specific firearm model.
- Select the appropriate Spikes Tactical recoil buffer (STT1, STT2, or STT3) based on your desired weight and performance.
- Insert the new recoil buffer into the buffer tube, ensuring it is seated correctly.
- Reassemble the firearm according to the manufacturer's instructions.

2. Usage:

- After installation, perform a function check to ensure proper cycling of the firearm.
- Use the firearm in accordance with all local laws and regulations.
- Monitor the performance of the recoil buffer during use. If you notice any irregularities, discontinue use immediately and inspect the buffer.

Disposal Instructions

- Dispose of the recoil buffer in accordance with local regulations and guidelines for hazardous materials.
- Do not dispose of the recoil buffer in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use or safety of your AR15/M16 Carbine Recoil Buffers, please refer to the manufacturer's contact information provided with your product packaging or visit the official Spikes Tactical website.

By adhering to these guidelines, you can ensure a safe and effective experience with your AR15/M16 Carbine Recoil Buffers. Thank you for your attention to safety.
