CAR1 Fake Suppressor Safety Instruction Guide

Introduction

Thank you for choosing the CAR1 Fake Suppressor by Spikes Tactical. This product is designed to enhance the appearance of your firearm while ensuring compliance with safety regulations. Please read this safety instruction guide carefully to ensure the safe use of the product.

General Safety Guidelines

- Ensure that the product is used only as intended. The CAR1 Fake Suppressor is for cosmetic purposes only and does not reduce noise.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- The CAR1 Fake Suppressor is designed for use on a 16" AR barrel with a carbine length gas system. Using it on incompatible firearms may pose safety risks.
- This product is not a functional suppressor; it does not provide any sound dampening capabilities.
- Do not attempt to modify the suppressor or use it in any way that is not specified in this guide.
- Ensure that the firearm is unloaded before installing or removing the suppressor.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Remove any existing muzzle device from the 1/228 threaded barrel.
- Align the threads of the CAR1 Fake Suppressor with the threads on the barrel.
- Rotate the suppressor clockwise until it is securely attached. Do not overtighten.

2. Usage:

- The CAR1 Fake Suppressor is intended for display purposes only. It does not alter the functionality of the firearm.
- Regularly check for tightness to ensure the suppressor remains securely attached during use.
- If any issues arise during installation or usage, cease use immediately and consult a qualified gunsmith.

Disposal Instructions

- When the CAR1 Fake Suppressor is no longer needed or has reached the end of its life, dispose of it in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for local recycling facilities or hazardous waste disposal options.

Contact Information for Further Support

For any questions or concerns regarding the CAR1 Fake Suppressor, please consult the manufacturer's website or customer service for assistance. Ensure you have the product details ready for a more efficient response.

By following these guidelines, you can ensure the safe and effective use of the CAR1 Fake Suppressor. Thank you for your attention to safety and compliance.
