

# ANKLE GLOVE HOLSTERS - GALCO INTERNATIONAL ANKLE GLOVE KAHR K40-BLACK-RIGHT HAND

[Home](#)

Those who need concealment 80 hours a week, year in and year out, find the Ankle Glove so comfortable to wear that they forget it's there - until they need it. The Ankle Glove's wide neoprene ankle band and Velcro closure offer extended wearing comfort and unmatched security. Additional comfort is provided by sheepskin padding between the holster and ankle. It also features a reinforced thumb break for speed of draw and detailed molding for firearm retention. Constructed of premium saddle leather stitched to a neoprene band, the Ankle Glove accommodates ankles up to 13" in circumference. Made for semiautomatic pistols and double-action revolvers.

# Safety Instruction Guide for ANKLE GLOVE HOLSTERS

## Introduction

Thank you for choosing the ANKLE GLOVE HOLSTERS by Galco International. This product is designed for comfort and security while carrying your firearm. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the holster is compatible with your firearm model.
- Always keep your firearm unloaded when inserting or removing it from the holster.
- Store the holster in a safe location away from children and unauthorized users.
- Regularly inspect the holster for any signs of wear or damage.
- Be aware of your surroundings and ensure that your firearm is securely holstered before moving.
- Follow all local laws and regulations regarding the carrying of firearms.

## Specific Safety Precautions for Use

### • Comfort and Fit:

- Ensure the ankle band fits snugly but comfortably around your ankle.
- Do not wear the holster if it causes discomfort or restricts movement.

### • Firearm Retention:

- Always check that the firearm is securely held in the holster before use.
- The reinforced thumb break is designed for quick access; practice drawing the firearm in a safe environment.

### • Avoiding Hazards:

- Do not expose the holster to extreme temperatures or moisture, as this can affect the materials.
- Keep the holster away from sharp objects that may cause damage.

### • Vulnerable Groups:

- Ensure that children and unauthorized individuals do not have access to the holster or firearm.

## Instructions for Installation and Usage

### 1. Fitting the Holster:

- Place the neoprene ankle band around your ankle.
- Adjust the Velcro closure to secure the band comfortably.
- Ensure the holster is positioned correctly for easy access.

### 2. Inserting the Firearm:

- Ensure the firearm is unloaded.
- Slide the firearm into the holster, ensuring it fits snugly.
- Secure the thumb break over the firearm to prevent accidental removal.

### **3. Drawing the Firearm:**

- Practice drawing the firearm in a safe, controlled environment.
- Use the thumb break to release the firearm quickly and safely.

### **4. Wearing the Holster:**

- Wear the holster under clothing for concealment.
- Ensure that clothing does not obstruct access to the holster.

## **Disposal Instructions**

- Dispose of the holster in accordance with local regulations.
- If the holster is damaged or no longer needed, consider recycling materials where possible.
- Ensure that any firearm is removed and stored safely before disposal of the holster.

## **Contact Information for Further Support**
