

SHOTGUN WADS - REMINGTON 12 GAUGE RXP12 1-1/8OZ 500/BAG

[Reloading](#) > [Wads](#)

Remington's one-piece shot cup/wad columns are made from highgrade virgin plastic to deliver consistent performance with minimal fouling. Remington offers a complete line of wads for both target and hunting loads .410 bore through 10-gauge magnum. Stitched-petal design helps keep wads from snagging on each other for easier reloading. Not for use with Steel Shot.

Safety Instruction Guide for SHOTGUN WADS REMINGTON 12 GAUGE RXP12 11/8OZ 500/BAG

Introduction

Thank you for purchasing the Remington Shotgun Wads. This guide provides essential safety instructions and guidelines to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR). Please read this document carefully before using the product.

General Safety Guidelines

- Ensure safe use of the product by following all instructions provided.
- Be aware of potential risks associated with handling and using shotgun wads.
- Always store the product in a safe location, out of reach of children and vulnerable individuals.
- In case of any accidents or unsafe product conditions, report them to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Do not use the wads with steel shot, as this may lead to dangerous malfunctions.
- Always wear appropriate safety gear, such as eye protection and hearing protection, when reloading and using shotguns.
- Ensure that the shotgun is in good working condition before use.
- Avoid using the wads in extreme weather conditions, which may affect performance.
- Handle all ammunition and components with care to prevent accidents.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials, including shotgun, wads, and appropriate ammunition.
- Ensure that your workspace is clean and free from distractions.

2. Loading the Shotgun:

- Open the shotgun and check that it is unloaded.
- Insert the Remington shotgun wad into the shell casing, ensuring it fits snugly.
- Add the appropriate amount of shot and powder according to the load specifications.
- Close the shell casing securely.

3. Using the Shotgun:

- Always point the shotgun in a safe direction when loading and unloading.
- Keep your finger off the trigger until you are ready to fire.
- Follow all local laws and regulations regarding the use of shotguns.

4. PostUse:

- After using the shotgun, clean it according to the manufacturer's instructions.
- Store the shotgun and wads in a secure location to prevent unauthorized access.

Disposal Instructions

- Dispose of any unused or damaged shotgun wads in accordance with local regulations.
- Do not dispose of shotgun wads in regular household waste.
- Contact local waste management services for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the product, please refer to the manufacturer's contact information provided with your purchase. It is essential to have access to support for safety inquiries and product-related issues.

Thank you for your attention to these safety guidelines. Your safety is our priority.
