

SHOTGUN WADS - REMINGTON 28 GAUGE PT28 3/4OZ 500/BAG

[Reloading](#) > [Wads](#)

Remington's one-piece shot cup/wad columns are made from highgrade virgin plastic to deliver consistent performance with minimal fouling. Remington offers a complete line of wads for both target and hunting loads .410 bore through 10-gauge magnum. Stitched-petal design helps keep wads from snagging on each other for easier reloading. Not for use with Steel Shot.

Safety Instruction Guide for SHOTGUN WADS REMINGTON 28 GAUGE PT28 3/4OZ 500/BAG

Introduction

Thank you for choosing the SHOTGUN WADS REMINGTON 28 GAUGE PT28. This product is designed for use in shotgun reloading applications, providing consistent performance and minimal fouling. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle ammunition components with care and respect.
- Ensure that you are familiar with local laws and regulations regarding the use and storage of ammunition components.
- Keep all components out of reach of children and unauthorized users.
- Inspect all components for damage or defects before use; do not use damaged components.
- Use only in accordance with the manufacturer's instructions and recommendations.
- Report any unsafe products or incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper handling or use may lead to injury or accidents.
 - Not for use with Steel Shot; using incompatible materials may result in malfunctions.
- **Avoiding Hazards:**
 - Always wear appropriate safety gear, including eye protection, when reloading.
 - Do not exceed recommended load specifications.
 - Ensure the work area is wellventilated and free from distractions.
 - Follow proper storage guidelines to prevent moisture exposure and contamination.
- **AgeSpecific Warnings:**
 - This product is not intended for use by individuals under the age of 18.
 - Ensure that minors are supervised by a responsible adult when handling ammunition components.

Instructions for Installation and Usage

- **Installation:**
 - Ensure that your reloading equipment is clean and properly set up before beginning.
 - Verify that the correct wad size is being used for your specific gauge and load.
- **Usage:**
 - Load each wad carefully into the shell casing, ensuring they are seated properly.
 - Follow the specific reloading data for your ammunition type, paying attention to powder type and charge weight.
 - After loading, visually inspect each shell to confirm proper assembly.

Disposal Instructions

- Dispose of unused or damaged wads according to local regulations.
- Do not discard in regular household waste; contact local waste management for proper disposal methods.
- Ensure that all components are stored safely until disposal.

Contact Information for Further Support

For questions regarding the SHOTGUN WADS REMINGTON 28 GAUGE PT28 or for safety inquiries, please refer to the manufacturer's contact point provided with the product.
