

# AR-15/M16 MSA™ MOE® SLING ATTACHMENT - MAGPUL MOE SLING ATTACHMENT

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

## Low-Profile Attachment Point For Clip-On Slings

Sturdy steel sling loop quickly bolts to any MOE handguard to provide the front attachment point for a Magpul MS2, MS3, or similar clip-on sling system. The MSA's low profile resists snagging on other gear and clothing and keeps handguard uncluttered. Hard Melonite® QPQ finish resists corrosion.

## Attributes

# AR15/M16 MSA™ MOE® Sling Attachment Safety Instructions

## Introduction

Thank you for choosing the AR15/M16 MSA™ MOE® Sling Attachment by Magpul. This product is designed to enhance your tactical setup while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the sling attachment properly.

## General Safety Guidelines

- Ensure that this product is used only with compatible MOE handguards.
- Always inspect the sling attachment for signs of damage or wear before use.
- Keep the sling attachment out of reach of children and vulnerable individuals.
- Use the sling attachment only for its intended purpose; misuse can lead to accidents or injuries.
- Report any unsafe conditions or product failures to relevant authorities immediately.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Installation Safety:**
  - Ensure you have the correct tools and follow installation instructions carefully to avoid improper fitting.
- **Weight Limit:**
  - Do not exceed the weight limit of the sling attachment as specified in the product specifications.
- **Secure Attachment:**
  - Always ensure that the sling attachment is securely bolted to the handguard before use.
- **Avoid Snagging:**
  - Be mindful of your surroundings to prevent snagging on other gear or clothing.
- **Routine Inspection:**
  - Regularly check the attachment point and sling for wear or damage, especially after heavy use.

## Instructions for Installation and Usage

### 1. Installation:

- Gather the necessary tools: a hex wrench and the included hexhead screw.
- Locate the desired position on your MOE handguard for the sling attachment.
- Align the sling attachment with the mounting plate and insert the hexhead screw.
- Tighten the screw securely using the hex wrench. Ensure there is no movement in the attachment.

### 2. Usage:

- Attach your Magpul MS2, MS3, or similar clip-on sling to the sling loop.
- Adjust the sling to your desired length and ensure it is secure before using your firearm.
- Always practice safe handling of the firearm while using the sling attachment.

## Disposal Instructions

- Dispose of the sling attachment in accordance with local regulations for metal products.
- If the product is damaged beyond repair, consider recycling the steel material where possible.
- Do not dispose of the product in household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15/M16 MSA™ MOE® Sling Attachment, please refer to the manufacturer's contact details provided with the product packaging. Ensure you have the model number and any relevant information ready when seeking assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your AR15/M16 MSA™ MOE® Sling Attachment. Thank you for prioritizing safety and responsible usage.
