

HYBRID TARGET 30 CALIBER (0.308") HYBRID BOAT TAIL BULLETS - BERGER BULLETS HYBRID TARGET 30 CALIBER (0.308") 200GR HYBRID BT 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Berger's Hybrid design blends the best of both worlds by incorporating two different shapes within the nose. As the bearing surface ends, a tangent ogive begins. This tangent section of the ogive results in the bullet being much less sensitive to seating depth. As you move forward along the tangent portion, the shape changes into a secant ogive (the shape used on the VLD bullets). This shape is very efficient in the wind and is why the VLD became so popular. The key to all this is not just the combining of these two shapes but also the partnership between the ballisticians and the bullet maker. Berger's Chief Ballistician, Bryan Litz uses his expertise to combine the appropriate shapes for optimum performance.

Attributes

- Name: [BERGER BULLETS HYBRID TARGET 30 CALIBER \(0.308"\) 200GR HYBRID BT 100/BOX](#)
- Manufacturer: [BERGER BULLETS](#)
- Product no.: 100008981
- Mfr. No.: 30427
- Ballistic Coefficient (G1): 0.616
- Ballistic Coefficient (G7): 0.316
- Brand Style: Hybrid Target
- Bullet Style: Hybrid Boat Tail
- Caliber: 30 Caliber
- Diameter (Breech): -
- Diameter (in): 0.308
- Grain: 200
- Sectional Density: 0.301
- Quantity: 100
- Delivery weight: 1.343kg
- UPC: 679459304276

Item details

Made in USA

US export classification: 0A505.x

Safety Instruction Guide for HYBRID TARGET 30 CALIBER (0.308") HYBRID BOAT TAIL BULLETS

Introduction

Thank you for choosing the HYBRID TARGET 30 CALIBER (0.308") HYBRID BOAT TAIL BULLETS by Berger Bullets. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before using the bullets.

General Safety Guidelines

- **Product Safety:** Ensure safe handling and usage of the bullets. Always refer to the product specifications and safety instructions.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. Follow the instructions provided in case of a recall.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements.
- **Special Consumer Focus:** Extra care should be taken when the product is used in the presence of children or vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, contact the relevant EU-based support services.
- **Rapid Alerts:** Regularly check updates on unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Handling:** Always handle bullets with care. Avoid direct contact with the lead components.
- **Storage:** Store the bullets in a cool, dry place away from direct sunlight and moisture. Keep them out of reach of children.
- **Usage:** Use only in firearms that are compatible with .308 caliber ammunition. Ensure that your firearm is in good working condition.
- **Protective Gear:** Wear appropriate protective gear, such as safety glasses and hearing protection, when handling ammunition and during shooting activities.
- **Training:** Ensure that you have proper training or supervision when using firearms and ammunition.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction before handling bullets.
- Gather all necessary tools and equipment for loading the bullets into cartridges.

2. Loading the Bullets:

- Follow the manufacturer's specifications for loading the bullets into cartridges.
- Ensure that the bullets are seated properly to avoid any misfires or jams.

3. Firing the Bullets:

- Always follow the safety protocols of your shooting range or location.
- Be aware of your surroundings and ensure that the area is clear before firing.

4. PostUse:

- After use, clean your firearm according to the manufacturer's instructions to maintain its condition and safety.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations regarding hazardous waste.
- Do not throw bullets in regular trash. Contact local authorities for safe disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the HYBRID TARGET 30 CALIBER (0.308") HYBRID BOAT TAIL BULLETS, please seek assistance from the relevant EU contact point or your local firearms authority.

Thank you for your attention to these safety instructions. Your safety is our priority.
