

HYBRID TARGET 6MM (0.243") BOAT TAIL BULLETS - BERGER BULLETS 6MM (0.243") 105GR HYBRID BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Combines the Best of Two Worlds

The Berger 6mm Hybrid Target Bullet is unique in the world of rifle projectiles, thanks to a unique combination of two bullet designs seen on the market. This new hybrid bullet ensures that shooters get the most out of their long-range shot, enhancing the capability of any precision-rifle platform. The Berger 6mm Hybrid Target Bullet was designed by Berger Chief Ballistician Bryan Litz, and his unique combination provides a tangent ogive that begins as soon as the bearing surface on the projectile ends. This transitions into a secant ogive. The end result of this combination means that these rounds are much more forgiving of bullet-seating depth. True diameter: 0.243 inch Weight: 105 grains Boattail design The Berger 6mm Hybrid Target Bullet also provides an efficient shape against the wind, making for an accurate, precise projectile.

Attributes

- Name: [BERGER BULLETS 6MM \(0.243"\) 105GR HYBRID BOAT TAIL 100/BOX](#)
- Manufacturer: [BERGER BULLETS](#)
- Product no.: 100009157
- Mfr. No.: 24433
- Ballistic Coefficient (G1): 0.536
- Ballistic Coefficient (G7): 0.275
- Brand Style: Hybrid Target
- Bullet Style: Hybrid Boat Tail
- Caliber: 6mm,243 Caliber
- Diameter (in): 0.243
- Grain: 105
- Sectional Density: -
- Quantity: 100
- Delivery weight: 1.111kg
- Shipping height: 56mm
- Shipping width: 69mm
- Shipping length: 107mm
- UPC: 679459244336

Safety Instruction Guide for Berger 6mm Hybrid Target Boat Tail Bullets

Introduction

Thank you for choosing the Berger 6mm Hybrid Target Boat Tail Bullets. This guide provides essential safety information to ensure the safe use and handling of this product. Please read the instructions carefully before use.

General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding the use of ammunition.
- Always treat every bullet as if it is loaded.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized users.
- Use appropriate protective equipment, such as eye protection, when handling ammunition.
- Always verify the compatibility of the bullets with your firearm before use.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always use the correct caliber (6mm or .243 inches) for your firearm.
- Avoid using damaged or deformed bullets.
- Do not exceed the recommended seating depth for the bullets to prevent excessive pressure during firing.
- Ensure that your firearm is in good working condition and properly maintained.
- Always follow the manufacturer's loading recommendations for optimal performance and safety.
- Be aware of your surroundings when shooting, and ensure a safe shooting environment.
- Do not shoot at hard surfaces or water to prevent ricochet.

Instructions for Installation and Usage

- Before loading, inspect each bullet for any visible defects.
- Load the bullets into your firearm according to the manufacturer's instructions.
- Ensure that the firearm is pointed in a safe direction while loading.
- After loading, visually check that the bullets are seated correctly.
- When ready to shoot, ensure that the area is clear of people and obstacles.
- Follow proper shooting techniques and safety practices at all times.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in the general trash.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety of this product, please consult the manufacturer's customer service or your local regulations for further assistance.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience responsibly!
