## Improves Comfort & Maneuverability With Body Armor

Pistol grip stock of rugged, fiberglass-reinforced nylon polymer has a short 12½" (31.7cm) length of pull that makes it easy to shoulder and maneuver when you're wearing body armor. The removable, five-position cheek riser helps you position your head for best alignment with an optic while maintaining a solid cheekweld. Pistol grip has ample contact surface with deep horizontal grooves for a secure grasp and excellent weapon control. Shock-absorbing padding on the backstrap helps protect your hand from recoil, while the Limbsaver® recoil pad helps reduce felt recoil. Includes a 1¼" slot rear sling loop, plus a stud on the underside for a QD sling swivel. Models available for the Remington 870, Mossberg 930 and Benelli M1014.
