

PISTOL & REVOLVER E-ZEE CASE GAUGE - LYMAN E-ZEE CASE GAUGE PISTOL & REVOLVER

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Lyman's compact Pistol & Revolver E-Zee Case Gauge easily measures, identifies, and sorts case lengths of 18 of the most popular semi-auto pistol and revolver cartridges, from .380 Auto/32 ACP to .460 S&W. Functions as a NO-GO gauge that quickly indicates case length to let you know if a case needs to be trimmed before reloading.

Pistol & Revolver EZee Case Gauge Safety Instruction Guide

Introduction

Thank you for choosing the Lyman Pistol & Revolver EZee Case Gauge. This product is designed to help you measure, identify, and sort case lengths for a variety of popular semiauto pistol and revolver cartridges. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Keep the gauge out of reach of children and unauthorized users.
- Inspect the gauge for any damage before use. Do not use if damaged.
- Use the gauge in a welllit area to ensure accurate measurements.
- Report any unsafe conditions or incidents related to the product to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that you are familiar with the specific cartridges the gauge is designed for, including:
 - 357 Magnum
 - 38 Special
 - 45 Auto (ACP)
 - 9 mm Luger
 - 380 Auto (ACP)
 - 32 Auto (ACP)
 - 40 S&W
 - 30 Luger (7.65 mm)
 - 41 Remington Magnum
 - 454 Casull
 - 500 S&W
 - 460 S&W
 - 38 Super
 - 30 Caliber (.308)
 - 45 (L)
- Use the gauge only for its intended purpose as a NOGO gauge.
- Do not attempt to modify or repair the gauge. Contact the manufacturer for assistance.
- Always wear appropriate personal protective equipment (PPE) when handling ammunition.

Instructions for Installation and Usage

1. Preparation

- Ensure the workspace is clean and free of distractions.
- Gather the cartridges you wish to measure.

2. Using the Gauge

- Place the gauge on a flat, stable surface.
- Insert the cartridge into the gauge, ensuring it is seated correctly.
- Check the measurement against the gauge's markings.

- If the cartridge does not fit within the designated area, it may require trimming before reloading.
- Remove the cartridge from the gauge and store it properly.

3. After Use

- Clean the gauge as per the manufacturer's recommendations.
- Store the gauge in a safe location, away from moisture and direct sunlight.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the gauge in household waste.
- If the gauge is damaged beyond repair, contact local waste authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the safety or usage of the Lyman Pistol & Revolver EZee Case Gauge, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website for more details.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is our top priority. Enjoy using your Lyman Pistol & Revolver EZee Case Gauge responsibly.
