

AR-15/M16 IMPROVED ALUMINUM REDI-MAG - BOONIE PACKER PRODUCTS IMPROVED REDI-MAG, MACHINED ALUMINUM

[Magazines](#) > [Rifle Magazines](#) > [Magazine Couplers & Holders](#)

Don't lose precious seconds in competition or combat fumbling for a spare magazine during a reload. This rugged speed loading system clamps directly to the lower receiver of any AR-15/M16 rifle or carbine and securely holds a second, fully loaded magazine alongside the mag well for super-fast mag changes. More reliable and easier to use than improvised methods, like taping two magazines together, that can cause malfunctions at critical moments. Closed-top design protects the spare mag from rain, dirt, dust, and debris and prevents the top round from jumping forward under recoil. Independent release system lets you drop the spare mag and the mag in the weapon separately to allow tactical reloads and greater flexibility in clearing malfunctions. Bolt Catch Extension (BCE) mounts directly to the factory bolt catch and lets you release the bolt, with or without the Redi-Mag attached to the gun, simply by slapping the BCE with an open palm. Installation requires no permanent alterations to receiver or mag well. Designed for mil-spec receivers; may not fit custom billet receivers. Machined Aluminum model offers lighter weight and a hinged mounting bracket for easier attachment to your rifle; does not have BCE.

Attributes

- Name: [BOONIE PACKER PRODUCTS IMPROVED REDI-MAG, MACHINED ALUMINUM](#)

Safety Instruction Guide for AR15/M16 Improved Aluminum RediMag

Introduction

Thank you for choosing the AR15/M16 Improved Aluminum RediMag by Boonie Packer Products. This product is designed to enhance your shooting experience by providing a reliable and efficient way to manage your magazines during competition or combat situations. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always treat your firearm with respect and assume it is loaded until you have verified otherwise.
- Ensure that all users of this product are familiar with firearm safety and handling.
- Keep the RediMag and all magazines out of reach of children and unauthorized individuals.
- Regularly inspect the RediMag for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding the use of firearms and accessories.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper installation may lead to malfunction or failure during use.
- Using the RediMag with incompatible firearms may pose safety risks.
- Failure to maintain the product can result in malfunction.

• Instructions for Avoiding Hazards:

- Ensure compatibility with your AR15/M16 rifle or carbine before installation.
- Do not modify the RediMag or any part of your firearm.
- Always perform a safety check of your firearm after installing the RediMag.

• AgeSpecific Warnings:

- This product is intended for use by individuals aged 18 and older.
- Ensure that younger individuals are supervised by a responsible adult when using this product.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded.
- Position the RediMag on the lower receiver of your AR15/M16.
- Securely clamp the RediMag to the receiver, ensuring it is firmly attached.
- Verify that the installation does not obstruct the operation of the firearm.

2. Usage:

- Load a fully loaded magazine into the RediMag.
- When reloading, use the independent release system to drop the spare magazine while keeping your primary magazine in the weapon.
- Practice mag changes in a safe environment to become familiar with the RediMag's operation.
- Always check that the spare magazine is securely held in place before engaging in any shooting.

activity.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding aluminum and firearm accessories.
- Do not discard the RediMag in regular household waste.
- Contact local recycling centers for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the AR15/M16 Improved Aluminum RediMag, please consult the manufacturer's website or customer service resources.

Thank you for prioritizing safety and compliance while using the AR15/M16 Improved Aluminum RediMag. Your adherence to these guidelines ensures a safe and enjoyable shooting experience.
