

# AK-47 J-TAC47 COMPENSATOR 30 CALIBER - PRIMARY WEAPONS J-TAC47 COMPENSATOR 30 CALIBER 14-1 LH SS BLACK

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

**FEATURES:** Recoil compensator for AK-47 style rifles 14x1 left hand threads  
Includes polymer washer to mate solidly against the front sight tower  
Washer is heat resistant up to 900 degrees Length: 1.95" Diameter: .875" Weight: 2.4 oz. Matte black finish For use on weapons with a bullet diameter equal to or less than .30 cal or 7.62mm  
**BENEFITS:** Recoil compensator that not only lessens the recoil of your AK-47, but does so without a significant increase in blast noise directed toward the shooter or individuals next to the shooter  
Included washer and notched rear end ensure proper indexing of ports  
Matte black finish matches the standard finish on AK-47 rifles well  
Instructions are included  
A high heat polymer washer is included for those needing to add a spacer between the front sight base and the compensator

# AK47 JTAC47 Compensator Safety Instruction Guide

## Introduction

Thank you for purchasing the AK47 JTAC47 Compensator. This guide provides essential safety information and instructions to ensure the safe and effective use of your compensator. Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- Ensure that the compensator is compatible with your AK47 style rifle.
- Always handle firearms and accessories with care and follow safe handling practices.
- Keep the compensator and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the compensator for wear, damage, or any signs of malfunction.
- Do not modify the compensator or any firearm components in a manner not recommended by the manufacturer.

## Specific Safety Precautions for Use

- Use only on firearms with a bullet diameter equal to or less than .30 caliber (7.62mm).
- Verify that the compensator is securely attached before firing.
- Be aware of your surroundings and ensure that the area is clear of bystanders before using the firearm.
- Wear appropriate eye and ear protection when firing.
- Be cautious of hot surfaces; the compensator can become hot during use.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing muzzle device if applicable.
- Clean the threads on the muzzle of the rifle to ensure a proper fit.
- Screw the compensator onto the muzzle using the 14x1 lefthand threads.
- Use the included polymer washer to ensure a solid fit against the front sight tower.
- Tighten the compensator securely, ensuring it is properly indexed.

### 2. Usage

- Once installed, check that the compensator is firmly in place.
- Follow standard firing procedures for your AK47 style rifle.
- Monitor the performance of the compensator during use, ensuring it functions correctly without excessive noise or blast directed toward the shooter.

## Disposal Instructions

- Dispose of the compensator and any packaging materials in accordance with local regulations.
- Do not dispose of the compensator in regular household waste if it contains hazardous materials.
- Contact your local waste management authority for guidance on proper disposal methods.

## Contact Information for Further Support

For any inquiries or concerns regarding the AK47 JTAC47 Compensator, please refer to the contact information

provided with your product packaging or visit the manufacturer's website.

## **Conclusion**

By following these safety instructions, you can ensure the safe use of your AK47 JTAC47 Compensator. Always prioritize safety and responsible handling when using firearms and accessories. Thank you for your attention to these important guidelines.
