

# AR-15 KX3 FLASH SUPPRESSOR 30 CALIBER - NOVESKE RIFLEWORKS KX3 FLASH SUPPRESSOR 30 CALIBER 5/8-24 STEEL PHOSPHATE

[Rifle Parts](#) > [Muzzle Devices](#) > [Flash Hiders](#)

Unique design redirects concussion forward to provide better flash suppression than standard A2 suppressor on short-barreled AR-15/M16/M4 rifles and other centerfire gas-operated weapons. Virtually eliminates side blast to protect nearby personnel during CQB, building entries, and when shooting from inside vehicles. Lessens felt recoil and reduces muzzle rise to help keep sights on the target for fast follow up shots and superior recoil management on full-auto assault rifles, especially with barrels 13" or shorter. High-carbon steel with matte black manganese phosphate finish stands up to the heat and pressure of thousands of rounds. Convenient,  $\frac{3}{4}$ " wrench flats allow easy installation with the same wrench used to remove factory flash suppressor. Crush washer included.

## Attributes

- Name: [NOVESKE RIFLEWORKS KX3 FLASH SUPPRESSOR 30 CALIBER 5/8-24 STEEL PHOSPHATE](#)
- Manufacturer: [NOVESKE RIFLEWORKS](#)
- Product no.: 100009319
- Mfr. No.: 05000518
- Caliber: 30 Caliber (.308)
- Finish: Phosphate
- Material: Steel
- Size: 1.343
- Threads: 5/8-24
- Weapon type: AR-15
- Delivery weight: 0.249kg
- Shipping height: 10mm
- Shipping width: 89mm
- Shipping length: 175mm
- UPC: 840906103722

## Item details

Made in USA

US export classification: 0A501.x

# AR15 KX3 Flash Suppressor Safety Instruction Guide

## Introduction

Thank you for choosing the AR15 KX3 Flash Suppressor. This guide provides essential safety instructions to ensure the safe use and installation of this product. Please read this guide thoroughly before use to understand the necessary precautions and procedures.

## General Safety Guidelines

- Ensure safe use of the flash suppressor by following all instructions.
- Be aware of potential hazards associated with the installation and use of firearms accessories.
- Always handle firearms and their accessories responsibly and in compliance with local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for recalls or safety alerts related to the product through the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye and ear protection, when using firearms equipped with the flash suppressor.
- Ensure the firearm is unloaded before installation or maintenance of the flash suppressor.
- Verify that the suppressor is compatible with your firearm's specifications (caliber, thread size).
- Do not exceed the manufacturer's recommended usage limits to prevent malfunctions.
- Be aware of the potential for increased noise and muzzle flash when using the suppressor in certain conditions.
- Avoid using the suppressor in confined spaces without proper ventilation.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: a  $\frac{3}{4}$ " wrench is required for installation.

#### 2. Remove Existing Flash Suppressor

- Use the wrench to carefully remove the existing flash suppressor from the muzzle of the firearm.

#### 3. Install the KX3 Flash Suppressor

- Align the KX3 flash suppressor with the muzzle threads.
- Handtighten the suppressor onto the muzzle.
- Use the wrench to securely tighten the suppressor, ensuring it is firmly attached without overtightening.

#### 4. Check for Proper Fit

- Ensure the suppressor is aligned properly and does not obstruct the operation of the firearm.

## Usage

- Always follow safe handling practices when operating the firearm with the flash suppressor attached.
- Monitor the suppressor for signs of wear or damage after use.
- Clean the suppressor regularly to maintain performance and safety.

## Disposal Instructions

- Dispose of the flash suppressor in accordance with local regulations.
- Ensure that the suppressor is rendered unusable before disposal to prevent misuse.
- Recycle materials where applicable, following local guidelines for metal recycling.

## Contact Information for Further Support

For any safety inquiries or further assistance regarding the AR15 KX3 Flash Suppressor, please refer to the contact points provided by the manufacturer or your local retailer.

By following these guidelines, you can ensure the safe and effective use of the AR15 KX3 Flash Suppressor. Always prioritize safety and responsibility when handling firearms and their accessories. Thank you for your attention to these important safety instructions.
