

# AR-15 ACS-L STOCK COLLAPSIBLE MIL-SPEC - MAGPUL ACS-L COLLAPSIBLE MIL-SPEC CARBINE STOCK FOR AR-15 BLACK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

## Extra-Slim Profile For Added Maneuverability

The Adaptable Carbine Stock-Light (ACS-L) is a slimmed-down, lightweight, version of Magpul's popular ACS stock. The ACS-L provides extra maneuverability by eliminating the ACS's side storage compartments, while retaining the wide, sloping top for a secure, comfortable cheekweld. Also retained is the storage compartment in the tail of the stock, and the friction locking system that prevents unwanted wobble after extending the stock. Includes a reversible socket for QD pushbutton sling swivels and a 1" sling loop molded in the toe of the stock. The .3" thick rubber recoil pad can be replaced by Magpul Tactical Recoil Pads (sold separately). Models available to fit Mil-Spec (1.14" O.D.) carbine buffer tubes. Buffer tube, carbine buffer, receiver extension nut, and carbine-length action spring not included.

## Attributes

# Safety Instruction Guide for AR15 ACSL Stock

## Introduction

Thank you for choosing the AR15 ACSL Stock. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before attaching or detaching the stock.
- Inspect the stock for any damage before use. Do not use if damaged.
- Keep the stock away from children and unauthorized users.
- Use the stock only with compatible MilSpec carbine buffer tubes (1.14" O.D.).
- Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- Ensure that the friction locking system is engaged to prevent unwanted wobble during use.
- Replace the rubber recoil pad only with Magpul Tactical Recoil Pads to maintain safety and functionality.
- Be aware of the length of pull adjustment range. Adjust the stock to suit your comfort while ensuring proper control of the firearm.
- Regularly check the stock for any signs of wear or loosening.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded.
- Remove the existing stock by unscrewing the receiver extension nut.
- Slide the ACSL stock onto the MilSpec buffer tube.
- Secure the stock in place by tightening the receiver extension nut.
- Adjust the length of pull by sliding the stock to the desired position and engaging the friction locking system.

### 2. Usage

- Hold the firearm firmly while using the stock to maintain control.
- Adjust the stock for a comfortable cheekweld to enhance accuracy.
- Use the reversible socket for QD pushbutton sling swivels as needed.

## Disposal Instructions

- Dispose of the stock in accordance with local regulations.
- Do not dispose of the stock in regular household waste. Check for designated disposal facilities for firearm accessories.

## Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the AR15 ACSL Stock, please refer to the contact information provided by the manufacturer or retailer.

## **Conclusion**

Following these safety guidelines will help ensure a safe and enjoyable experience with your AR15 ACSL Stock. Always prioritize safety and responsibility when handling firearms and their accessories.
