

AR-15 ACS-L STOCK COLLAPSIBLE MIL-SPEC - MAGPUL ACS-L COLLAPSIBLE MIL-SPEC CARBINE STOCK FOR AR-15 FDE

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

Extra-Slim Profile For Added Maneuverability

The Adaptable Carbine Stock-Light (ACS-L) is a slimmed-down, lightweight, version of Magpul's popular ACS stock. The ACS-L provides extra maneuverability by eliminating the ACS's side storage compartments, while retaining the wide, sloping top for a secure, comfortable cheekweld. Also retained is the storage compartment in the tail of the stock, and the friction locking system that prevents unwanted wobble after extending the stock. Includes a reversible socket for QD pushbutton sling swivels and a 1" sling loop molded in the toe of the stock. The .3" thick rubber recoil pad can be replaced by Magpul Tactical Recoil Pads (sold separately). Models available to fit Mil-Spec (1.14" O.D.) carbine buffer tubes. Buffer tube, carbine buffer, receiver extension nut, and carbine-length action spring not included.

Attributes

- Name: [MAGPUL ACS-L COLLAPSIBLE MIL-SPEC CARBINE STOCK FOR AR-15 FDE](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100009326

Safety Instruction Guide for AR15 ACSL Stock

Introduction

Thank you for choosing the AR15 ACSL Collapsible MilSpec Stock by Magpul. This guide provides essential safety instructions and usage information to ensure the safe operation and maintenance of your product. Please read this guide carefully and keep it for future reference.

General Safety Guidelines

- Always ensure the firearm is unloaded before installing or adjusting the stock.
- Inspect the stock for any damage before use. Do not use if damaged.
- Ensure that the stock is compatible with your firearm model.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Store the stock in a safe, dry place when not in use.
- Keep the stock out of reach of children and unauthorized users.
- Regularly check for loose components and tighten as necessary to maintain safety.

Specific Safety Precautions for Use

- **Installation Safety:**
 - Use appropriate tools for installation. Do not force components together.
 - Ensure the stock is securely attached to the buffer tube to prevent accidental detachment.
- **Usage Safety:**
 - Always maintain a firm grip on the firearm when adjusting the stock.
 - Be aware of your surroundings and ensure a safe shooting environment.
 - Do not exceed the recommended length of pull adjustments to maintain control and accuracy.
- **Storage Safety:**
 - When not in use, store your firearm with the stock in a secure location.
 - Use a locking mechanism or safe to prevent unauthorized access.

Instructions for Installation and Usage

Installation

1. Ensure the firearm is unloaded.
2. Remove the existing stock from the buffer tube.
3. Align the AR15 ACSL stock with the buffer tube.
4. Slide the stock onto the buffer tube until it is fully seated.
5. Tighten the locking mechanism to secure the stock in place.
6. Check for stability by gently tugging on the stock.

Usage

- Adjust the length of pull by pressing the adjustment lever and sliding the stock to the desired position.
- Ensure the stock is locked in place before firing.
- To collapse the stock, press the adjustment lever and slide the stock back towards the receiver.

Disposal Instructions

- Dispose of the stock according to local regulations for plastic materials.
- Do not dispose of the stock in regular household waste if it is damaged or contains hazardous materials.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the AR15 ACSL stock, please refer to the official Magpul website or your point of purchase for support and assistance.

Thank you for your attention to these safety instructions. Your safety is our priority.
