

AR-15 30RD L5AWM OPAQUE BLACK MAGAZINE 223/5.56 - LANCER SYSTEMS AR-15 L5AWM OPAQUE BLACK MAGAZINE 223/5.56 30RD POLYMER

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

Advanced Warfighter Magazines (AWM) fill the gap between the current metal and polymer magazine designs. These lightweight molded polymer magazines stand up to rough handling and extreme conditions of tactical operations, including heat and impact of sustained full-auto fire. Permanently attached, wrap-around feed lips are made from a single piece of precision formed, hardened steel that is PTFE coated for corrosion resistance. They help promote smooth ammo movement and will not deform when the magazine is stored fully loaded over a long period of time. Tested to withstand temperature extremes of -50 degrees F to +180 degrees F and a 5 foot drop fully loaded, onto concrete without impairment of function. Non-reflective exterior has molded-in ridges and enhanced texturing that improve the structural strength and provide a solid grasping surface. Drops free from mil-spec magwells; load to full capacity and insert into weapons with bolt closed. 30-round model fits pouches designed for standard US-GI-spec magazines. Anti-tilt follower and constant-radius body curve helps ensure smooth, snag-free feeding. Hard polymer base plate provides a positive gripping surface for extracting mag from tight-fitting pouches and removes easily for disassembly and cleaning.

Attributes

- Name: [LANCER SYSTEMS AR-15 L5AWM OPAQUE BLACK MAGAZINE 223/5.56 30RD POLYMER](#)
- Manufacturer: [LANCER SYSTEMS](#)
- Product no.: 100009395
- Mfr. No.: 999-000-2320-03
- Action Type: Semi-Auto
- Capacity: 30-Round
- Cartridge: 223 Remington,5.56 mm NATO
- Finish: Black
- Make: AR-15
- Material: Polymer
- Delivery weight: 0.136kg
- UPC: 738435615451

Safety Instruction Guide for AR15 30RD L5AWM Opaque Black Magazine

Introduction

Thank you for choosing the AR15 30RD L5AWM Opaque Black Magazine. This guide provides essential safety information and instructions to ensure the safe use of your magazine. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding the use of magazines and firearms.
- Always handle your magazine and firearm with care and respect.
- Store your magazine in a safe and secure location, away from children and unauthorized users.
- Regularly inspect your magazine for any signs of damage or wear. Do not use a damaged magazine.
- Always keep the magazine pointed in a safe direction when loading or unloading.
- Do not exceed the magazine's capacity or modify it in any way.

Specific Safety Precautions for Use

- Use only compatible ammunition (223 Remington, 5.56 mm NATO) to avoid malfunctions.
- Avoid exposing the magazine to extreme temperatures outside the tested range of 50 degrees F to +180 degrees F.
- Do not use the magazine if it has been dropped from a height greater than 5 feet while fully loaded.
- Ensure that the magazine is properly seated in the firearm before use.
- Do not attempt to disassemble the magazine unless following the provided instructions.

Instructions for Installation and Usage

1. Loading the Magazine

- Ensure the magazine is clean and free of debris.
- Hold the magazine with the feed lips facing upward.
- Insert the ammunition one round at a time, pressing down until it clicks into place.
- Do not exceed the 30round capacity.

2. Inserting the Magazine into the Firearm

- Ensure the firearm is pointed in a safe direction with the bolt closed.
- Align the magazine with the magwell of the firearm.
- Push the magazine firmly into the magwell until it locks into place.

3. Removing the Magazine

- Ensure the firearm is pointed in a safe direction.
- Press the magazine release button on the firearm.
- Gently pull the magazine out of the magwell.

4. Cleaning and Maintenance

- Regularly clean the magazine to ensure optimal performance.
- Use a soft cloth and mild solvent to clean the exterior.
- Avoid using harsh chemicals that may damage the polymer material.

Disposal Instructions

- Dispose of the magazine responsibly, following local regulations for hazardous materials.
- If the magazine is damaged beyond repair, contact local waste management for proper disposal methods.
