# **Safety Instruction Guide for GOLD DOT 45 CALIBER HANDGUN BULLETS SPEER GOLD DOT 9MM (0.355") 124GR JHP**

## **Introduction**

Thank you for choosing the Speer Gold Dot 9mm (0.355") 124GR JHP handgun bullets. These hollowpoint bullets are designed for personal protection applications and are trusted by law enforcement professionals. This guide provides essential safety instructions to ensure safe handling, usage, and disposal of the product in compliance with EU General Product Safety Regulation (GPSR).

## **General Safety Guidelines**

- Always treat firearms and ammunition with respect and caution.
- Store ammunition in a cool, dry place and out of reach of children.
- Be aware of your surroundings and ensure a safe environment when handling firearms.
- Follow all local laws and regulations regarding the use and storage of ammunition.
- Regularly check for product recalls and updates on safety from the relevant authorities.

## **Specific Safety Precautions for Use**

- Ensure that the firearm is designed to use 9mm ammunition before loading.
- Inspect the ammunition for any damage or defects before use.
- Do not mix different types of ammunition.
- Use appropriate protective gear, such as safety glasses and hearing protection, when firing.
- Always point the firearm in a safe direction when loading or unloading.
- Keep your finger off the trigger until you are ready to fire.
- Do not consume alcohol or drugs before or while handling firearms or ammunition.

## **Instructions for Installation and Usage**

### **1. Loading the Firearm:**

- Open the firearm's action to ensure it is unloaded.
- Insert the Gold Dot 9mm bullets into the magazine according to the manufacturer's instructions.
- Ensure the magazine is securely locked in place before chambering a round.

### **2. Firing the Firearm:**

- Ensure you are in a safe and designated shooting area.
- Aim at the target and ensure there are no people or animals in the line of fire.
- With the firearm pointed downrange, engage the safety mechanism if applicable.
- When ready, pull the trigger smoothly to fire.

### **3. Unloading the Firearm:**

- After firing, open the action of the firearm.
- Remove the magazine and ensure no rounds are chambered.
- Inspect the chamber to confirm it is empty.

### **4. Cleaning and Maintenance:**

- Regularly clean your firearm according to the manufacturer's instructions.
- Store ammunition separately from firearms to prevent accidental discharge.

## **Disposal Instructions**

- Dispose of used ammunition casings and any defective bullets in accordance with local regulations.
- Do not throw ammunition in regular trash.
- Contact local waste management or law enforcement for proper disposal methods.

## **Contact Information for Further Support**

For safety inquiries or concerns regarding this product, please refer to the relevant authorities or consult the manufacturer's website for additional information.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on responsible handling and usage of ammunition.
