

AK-47/74 UNIVERSAL X-MODEL HANDGUARD - MIDWEST INDUSTRIES AK-X X-MODEL UNIVERSAL AK47/74 HANDGUARD

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Brings The Versatility Of AR-Style Rail Mounts To Your Kalashnikov

High-quality, lightweight, aluminum handguard gives your AK-47 the convenience and versatility of rail mounting for lights, lasers, optics, vertical grips and other accessories. Installs in minutes with no gunsmithing or permanent modifications required. Precision machined from lightweight aluminum alloy, hardcoat anodized for a tough finish that resists surface wear. T-marked MIL-STD 1913 Picatinny rails bring your AK up to speed by accepting a wide range of accessories used on the AR-15/M16 platform. Made in the U.S.A., so it counts as one U.S.-made component for United States Code, Title 18, Section 922(r) parts-count requirements.

AK47/74 Universal XModel Handguard Safety Instructions

Introduction

Thank you for choosing the AK47/74 Universal XModel Handguard by Midwest Industries. This product is designed to enhance the functionality of your AK47 by providing a lightweight and versatile rail system for mounting accessories. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that you have read the user manual of your firearm before installing this handguard.
- Always handle firearms with care and treat them as if they are loaded.
- Keep firearms and accessories out of reach of children and unauthorized users.
- Inspect the handguard and all components for damage before use.
- Do not exceed the manufacturer's specifications for mounting accessories.
- If you experience any issues with the handguard, discontinue use and seek professional assistance.

Specific Safety Precautions for Use

- Always wear eye protection when handling firearms or installing accessories.
- Ensure that the firearm is unloaded before beginning installation.
- Avoid using the handguard in extreme temperatures or conditions that may affect its integrity.
- Be cautious of sharp edges during installation and handling.
- Do not use the handguard for purposes other than those intended by the manufacturer.
- If you notice any unusual wear or damage to the handguard, stop using it immediately.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools, including the provided Allen wrenches and thread locking compound.

2. Field Stripping:

- Follow the manufacturer's instructions to field strip your AK47.
- Remove the existing handguard by following the appropriate disassembly procedure.

3. Installation of the Handguard:

- Align the new handguard with the mounting points on your firearm.
- Securely attach the handguard using the provided mounting hardware.
- Ensure all screws are tightened properly to prevent movement during use.

4. Final Checks:

- Inspect the installation to ensure that the handguard is securely attached.
- Reassemble your firearm according to the manufacturer's instructions.

5. Usage:

- Attach accessories as needed, ensuring they are compatible with the Picatinny rails.

- Regularly check the tightness of mounted accessories to avoid loosening during use.

Disposal Instructions

- Dispose of the handguard in accordance with local regulations.
- If the handguard is damaged beyond repair, consider recycling the aluminum material where possible.
- Do not dispose of the handguard in regular household waste.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the AK47/74 Universal XModel Handguard, please refer to the manufacturer's official website or customer service channels.

By following these safety instructions, you help ensure a safe and enjoyable experience with your AK47/74 Universal XModel Handguard. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
