# Safety Instruction Guide for AK47 MA1214 NIGHTBRAKE 30 CALIBER

## Introduction

Thank you for choosing the AK47 MA1214 NIGHTBRAKE 30 CALIBER from MANTICORE ARMS. This product is designed to enhance your shooting experience by reducing recoil and muzzle rise. To ensure safe and effective use of this compensator, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the product is used in accordance with all local laws and regulations regarding firearms and accessories.
- Always treat firearms and their accessories with respect and caution.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms equipped with this compensator.
- Ensure that the compensator is properly installed before use to avoid malfunctions.
- Do not exceed the recommended projectile diameter of .311 inches (7.62mm).
- Avoid using the compensator in conditions that could cause excessive dust or debris, especially in a prone position.
- Be aware that the compensator is designed for specific calibers; using it with incompatible calibers may result in dangerous conditions.
- Do not modify the compensator in any way, as this may compromise its safety and effectiveness.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction before installation.
- Remove any existing muzzle device from the firearm.
- Clean the threads of the barrel to ensure a secure fit.
- Align the compensator with the 14x1LH metric threads on the barrel.
- Handtighten the compensator onto the barrel, ensuring it is secure but not overtightened.
- Check the alignment and ensure that there are no obstructions in the compensator ports.

### 2. Usage:

- Before firing, doublecheck that the compensator is securely installed.
- Fire the firearm in a safe environment, following all standard shooting safety practices.
- Monitor the performance of the compensator during use, paying attention to any unusual sounds or behaviors.
- If any issues arise, cease use immediately and inspect the compensator for damage.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and firearm accessories.
- Do not incinerate or expose the product to extreme heat.

- If the product is damaged or no longer usable, contact local waste management services for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding the safety and performance of the AK47 MA1214 NIGHTBRAKE 30 CALIBER, please refer to the manufacturer's website or contact the customer service department directly.

Thank you for your attention to these safety instructions. Enjoy safe and responsible shooting with your new compensator.
