

# AR-15 PICATINNY XTM ENHANCED RAIL PANEL POLYMER - MAGPUL XTM ENHANCED RAIL PANEL PICATINNY POLYMER 1.5" FDE 4/PK

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Rail Covers](#)

The XTM Enhanced Rail Panels are low-profile, two-piece covers that attach anywhere on a 1913 Picatinny rail without having to remove previously mounted accessories. Replacing the original XTM Panels, the Enhanced XTM Panels feature an aggressive anti-slip texture and dual-side routing clips for retention of light/laser cables. The design and reinforced material construction ensure the panels will remain in place under all operating conditions, but allows for easy removal using the tips of two rounds when necessary. Eight section will make four panels that cover one side of a carbine-length rail. Available in Black, Flat Dark Earth, and OD Green.

## Attributes

- Name: [MAGPUL XTM ENHANCED RAIL PANEL PICATINNY POLYMER 1.5" FDE 4/PK](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100009572
- Mfr. No.: MAG510-FDE
- Colour: Dark Earth
- Length: 1.5 in
- Material: Polymer
- Style: Picatinny
- Weapon type: AR-15
- Delivery weight: 0.05kg
- Shipping height: 38mm
- Shipping width: 38mm
- Shipping length: 165mm
- UPC: 873750007878

## Item details

Made in USA

US export classification: 0A501.y.1

# Safety Instruction Guide for AR15 Picatinny XTM Enhanced Rail Panel

## Introduction

Thank you for choosing the AR15 Picatinny XTM Enhanced Rail Panel. This guide provides important safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the rail panels for signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to panel detachment during use.
- Failure to secure cables properly can result in entanglement or damage.

### • Avoiding Hazards:

- Follow installation instructions carefully.
- Ensure that all accessories mounted on the rail are compatible and securely fastened.
- Do not exceed the weight limit of the rail panels.

### • Age and Audience Warnings:

- This product is not intended for use by children.
- Ensure that all users are trained in the safe handling of firearms and accessories.

## Instructions for Installation and Usage

### 1. Installation:

- Clean the Picatinny rail surface to ensure proper adhesion.
- Align the XTM Enhanced Rail Panel with the desired position on the rail.
- Press firmly to attach the panel to the rail. Ensure it is securely fastened.
- Use the dualside routing clips to secure any light/laser cables, ensuring they are not in a position to get snagged or damaged.

### 2. Usage:

- Regularly check that the panels remain securely attached during use.
- If necessary, remove the panels by using the tips of two rounds to lift them off the rail.
- Avoid placing excessive force or weight on the panels to prevent detachment.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for plastic materials.
- Do not incinerate or dispose of in a manner that could harm the environment.
- Check with local waste management for specific disposal guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety or use of this product, please refer to the manufacturer's contact information included with the product packaging or visit the official website.

Thank you for your attention to these safety instructions. Your safety is our priority.
