

# AR-15 PICATINNY XTM ENHANCED RAIL PANEL POLYMER - MAGPUL XTM ENHANCED RAIL PANEL PICATINNY POLYMER 1.5" ODG 4/PK

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Rail Covers](#)

The XTM Enhanced Rail Panels are low-profile, two-piece covers that attach anywhere on a 1913 Picatinny rail without having to remove previously mounted accessories. Replacing the original XTM Panels, the Enhanced XTM Panels feature an aggressive anti-slip texture and dual-side routing clips for retention of light/laser cables. The design and reinforced material construction ensure the panels will remain in place under all operating conditions, but allows for easy removal using the tips of two rounds when necessary. Eight section will make four panels that cover one side of a carbine-length rail. Available in Black, Flat Dark Earth, and OD Green.

## Attributes

- Name: [MAGPUL XTM ENHANCED RAIL PANEL PICATINNY POLYMER 1.5" ODG 4/PK](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100009573

# Safety Instruction Guide for AR15 Picatinny XTM Enhanced Rail Panel

## Introduction

Thank you for choosing the AR15 Picatinny XTM Enhanced Rail Panel. This guide provides important safety information and instructions for the safe use of this product. Please read this guide carefully to ensure proper installation and usage.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the rail panel for any signs of damage before installation. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Always verify that the rail panel is securely attached before use.
- In case of any malfunction or injury, report it to the appropriate authorities.

## Specific Safety Precautions for Use

- Use the rail panel only on compatible 1913 Picatinny rails.
- Avoid excessive force when installing or removing the rail panel to prevent damage.
- Ensure that all accessories mounted on the rail panel are securely fastened.
- Do not expose the rail panel to extreme temperatures or harsh chemicals.
- Regularly check the panel and accessories for wear and tear.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools for installation.
- Ensure the workspace is clean and free of obstructions.

### 2. Installation:

- Align the XTM Enhanced Rail Panel with the desired location on the Picatinny rail.
- Press down firmly to attach the panel without removing any previously mounted accessories.
- Use the tips of two rounds to aid in removal if necessary.

### 3. Usage:

- Once installed, ensure that the rail panel is secure.
- Route any light or laser cables through the dualside routing clips to prevent snagging.
- Regularly check the panel during use to ensure it remains secure.

### 4. Removal:

- To remove the rail panel, gently use the tips of two rounds to release the panel from the rail.
- Store the panel in a safe place when not in use.

## Disposal Instructions

- Dispose of the rail panel in accordance with local regulations.
- Do not dispose of the product in regular household waste.

- Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns, please refer to the manufacturer's contact information provided on the packaging or product documentation.
