

# AR-15/M16 PMAG MAG-LINK MAGAZINE COUPLER - MAGPUL MAGLINK COUPLER 5.56X45 FOR PMAG 30/40RD AR15 MAGAZINES BLK

[Magazines](#) > [Rifle Magazines](#) > [Magazine Couplers & Holders](#)

## Links Two 30-Round PMAGs Together So You Always Have A Reload With The Weapon

Reinforced polymer magazine coupler allows you to clamp two 30-round PMAGs to each other for super-fast reloads because you'll always have an additional 30 rounds with the gun. The two polymer links secured by two steel bolts hold both mags firmly, with no rattling or play. Designed for use with current-production PMAG and MagLevel PMAG only.

# AR15/M16 PMAG MAGLINK MAGAZINE COUPLER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the AR15/M16 PMAG MAGLINK MAGAZINE COUPLER by MAGPUL. This product is designed to enhance your shooting experience by allowing you to quickly reload using two 30round PMAGs. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Always handle magazines and firearms with care.
- Ensure that the firearm is unloaded before attaching or detaching the magazine coupler.
- Familiarize yourself with the operation of your firearm and magazines before use.
- Always follow local laws and regulations regarding firearm and magazine use.
- Store the magazine coupler and magazines in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the coupler and magazines for any signs of damage or wear before use.

## Specific Safety Precautions for Use

- This coupler is designed specifically for use with current production 30round PMAG and MagLevel PMAG.
- Do not attempt to use this coupler with first generation PMAGs, 20round PMAGs, EMAGs, PMAG 30Gs, or 7.62/.308 PMAGs as this may result in malfunction or injury.
- Ensure that the polymer links are securely fastened with the steel bolts before use to prevent accidental detachment.
- Avoid exposing the coupler to extreme temperatures or harsh chemicals that may damage the polymer material.
- Do not exceed the recommended capacity of the magazines when using the coupler.

## Instructions for Installation and Usage

### 1. Installation

- Ensure both PMAGs are unloaded.
- Align the two magazines so that their bases are touching.
- Slide the polymer coupler over the bases of both magazines.
- Secure the coupler by tightening the steel bolts provided. Ensure that both magazines are held firmly in place without any rattling or play.

### 2. Usage

- When ready to use, insert the magazine coupler with the attached magazines into the firearm.
- Practice reloading with the coupler in a safe environment to become familiar with its operation.
- After use, always check that the magazines are unloaded before detaching the coupler.

## Disposal Instructions

- Dispose of the magazine coupler and any damaged magazines in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for local recycling programs for polymer materials.

## Contact Information for Further Support

For any safety inquiries or support regarding the AR15/M16 PMAG MAGLINK MAGAZINE COUPLER, please refer to the manufacturer's contact details provided with the product packaging or visit the official website.

## Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your AR15/M16 PMAG MAGLINK MAGAZINE COUPLER. Always prioritize safety and responsible handling of firearms and accessories. Thank you for your attention to these important guidelines.
