

REMINGTON 870 SGA CHEEK RISER KITS - MAGPUL HUNTER/SGA HIGH CHEEK RISER FLAT DARK EARTH

[Shotgun Parts](#) > [Stock & Forend Parts](#) > [Buttstock Hardware](#) > [Cheek Pieces](#)

New Versatility For The World's Most Popular Shotgun

Innovative, integrated accessory system lets you apply the "Magpul Method" to make the tried-and-true 12 gauge 870 into a state-of-the-art tactical shotgun exactly fitted to your mission requirements. Major components are made from the same tough, hard polymer Magpul uses for their AR-15 stocks to ensure superb durability under harsh conditions. Easy to install modular risers fit on the comb of the SGA Stock to change the comb height for a better cheek weld and to position the shooter's head at the proper height for various sights and optics. Low kit includes two inserts that raise the comb $\frac{1}{4}$ " or $\frac{1}{2}$ " above the standard SGA comb. High kit's two inserts raise the comb $\frac{1}{2}$ " or $\frac{3}{4}$ " above the standard comb.

*Note: For aftermarket raised receiver rails and optics utilizing higher mounts, you may need to add to the common configurations above accordingly. Optic mounts designed for the AR15/M16 platform may be too high for use with the Magpul SGA stock depending on the shooter preference.

REMINGTON 870 SGA Cheek Riser Kits Safety Instruction Guide

Introduction

Thank you for choosing the REMINGTON 870 SGA Cheek Riser Kits. This product is designed to enhance your shooting experience by providing adjustable cheek risers for optimal comfort and alignment with your sights and optics. Please read this safety instruction guide carefully to ensure safe usage and compliance with EU safety standards.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the cheek riser.
- Use only the recommended components and accessories with the REMINGTON 870 SGA Cheek Riser Kits.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the cheek riser for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding the use of firearms and accessories.

Specific Safety Precautions for Use

- When using lowprofile bead sights or ghost rings, ensure that the riser height is set to $\frac{1}{4}$ " to maintain proper alignment.
- For red dot or holographic sights, adjust the riser to $\frac{1}{4}$ " or $\frac{1}{2}$ " as needed for optimal sight picture.
- If using a magnified optic, set the riser to $\frac{1}{2}$ " or $\frac{3}{4}$ " to ensure proper head positioning and comfort.
- Avoid using the cheek riser in extreme weather conditions without proper inspection, as temperature variations may affect the polymer material.
- If you experience discomfort or misalignment while shooting, stop using the product and reassess the installation and height settings.

Instructions for Installation and Usage

1. Unboxing and Inspection

- Carefully remove the cheek riser kit from the packaging.
- Inspect all components for damage or defects before installation.

2. Installation Steps

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing comb from the SGA Stock.
- Select the desired height insert ($\frac{1}{4}$ ", $\frac{1}{2}$ ", or $\frac{3}{4}$ ") based on your shooting needs.
- Align the insert with the comb position and press it into place until it clicks securely.
- Reattach the comb to the SGA Stock, ensuring it is firmly secured.

3. Adjusting the Cheek Riser

- If adjustments are needed, repeat the installation steps using a different height insert.
- Test the fit by shouldering the firearm and ensuring a comfortable cheek weld.

4. PostInstallation Check

- After installation, conduct a thorough check to ensure all components are securely fastened.
- Perform a function check of the firearm to ensure proper operation.

Disposal Instructions

- Dispose of the cheek riser kit in accordance with local regulations regarding plastic waste.
- Do not burn the product, as it may release harmful substances.
- Consider recycling options for the polymer materials if available in your area.

Contact Information for Further Support

For any questions or concerns regarding the REMINGTON 870 SGA Cheek Riser Kits, please refer to the manufacturer's website or your local authorized dealer for assistance.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your REMINGTON 870 SGA Cheek Riser Kits. Always prioritize safety and compliance with local laws when using firearms and accessories. Thank you for your attention to these important safety measures.
