# SGA® Ambidextrous Buttstock for Remington® 870 Safety Instructions

## Introduction

Thank you for choosing the SGA® Ambidextrous Buttstock for your Remington® 870 shotgun. This product is designed to enhance your shooting experience while ensuring safety and comfort. Please read this safety instruction guide carefully to understand how to use and maintain the buttstock safely.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and ammunition separately and securely.
- Ensure that the buttstock is properly installed before use.
- Regularly inspect the buttstock for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm use and modifications.
- Keep this product out of reach of children and unauthorized users.

## Specific Safety Precautions for Use

- **Installation Safety:** Ensure that the buttstock is installed according to the instructions provided. Improper installation can lead to malfunction.
- **Recoil Management:** The buttstock features a recoil-reducing buttpad. Make sure it is properly secured to minimize recoil impact.
- **Accessory Compatibility:** Use only compatible accessories with the buttstock. Avoid modifications that could compromise safety.
- **Sling Loops:** Use the integral right and left 1.25" sling loops for secure attachment of slings. Ensure they are properly fastened before use.
- **Cheek Riser Use:** If using optional cheek risers, ensure they are securely attached and properly adjusted for your optics or raised sights.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the existing buttstock from your Remington® 870 shotgun.
- Align the SGA buttstock with the shotgun's receiver.
- Securely fasten the buttstock using the provided mounting hardware.
- Ensure all screws and attachments are tightened to prevent movement during use.

### 2. Adjustment:

- The SGA buttstock features a spacer system for length of pull adjustment.
- Adjust the length of pull in ½ inch increments from 12.5" to 14.5" by adding or removing spacers.
- Ensure the adjustment is secure before using the shotgun.

### 3. Usage:

- When using the shotgun, maintain a proper grip on the buttstock.
- Position your cheek on the buttstock for stability and aim.
- Always be aware of your surroundings and ensure a clear line of sight before firing.

## **Disposal Instructions**

- Dispose of the buttstock in accordance with local regulations.
- If the product is damaged beyond use, consider recycling the polymer material where facilities are available.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's contact information provided with your product packaging. It is important to have access to support for any safety-related questions.

By following these guidelines, you can ensure a safe and enjoyable experience with your SGA® Ambidextrous Buttstock for Remington® 870 shotgun. Always prioritize safety and be aware of your surroundings when handling firearms.
