

# RELOADER'S LOG - LYMAN RELOADER'S LOG

[Reloading](#) > [Books & Videos](#) > [Books](#) > [Logbooks](#)

This easy-to-use logbook is indispensable! Fill-in-the-blank pages help you build a detailed record of critical data that ends the guesswork and struggling to remember what you used for that "perfect" load 'way back when. Blanks to record bullet type/weight, powder, primer, case, firearm used, number of shots fired, group size, weather conditions velocity, and room for comments on how the load performed. 8-1/2" x 11" pages are prepunched for 3-ring binders. 50 pages per log.

# RELOADER'S LOG Safety Instructions

## Introduction

Thank you for choosing the RELOADER'S LOG by LYMAN. This logbook is designed to assist you in recording essential data related to your reloading activities. To ensure a safe and effective experience, please follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always ensure that your workspace is clean and organized to avoid accidents.
- Keep the logbook out of reach of children and pets to prevent misuse.
- Use the logbook only for its intended purpose, which is to document reloading data.
- Regularly check for any updates or recalls associated with your product through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that you are using the logbook in a welllit area to avoid miswriting or missing important details.
- Use the logbook in conjunction with appropriate reloading equipment and safety gear.
- Do not attempt to use the logbook for any purpose other than recording reloading data.
- If you notice any damage to the logbook, discontinue use and report it immediately.

## Instructions for Installation and Usage

### 1. Setting Up Your Logbook:

- Open the logbook to the first available page.
- Familiarize yourself with the fillintheblank format for recording your reloading data.

### 2. Recording Data:

- Use a pen or pencil to fill in the following information:
  - Bullet type/weight
  - Powder
  - Primer
  - Case
  - Firearm used
  - Number of shots fired
  - Group size
  - Weather conditions
  - Velocity
  - Comments on load performance
- Ensure that all entries are legible and accurate for future reference.

### 3. Storing Your Logbook:

- Keep the logbook in a safe and dry location when not in use.
- Consider using a 3ring binder for easy organization and access, as the pages are prepunched.

## Disposal Instructions

- When disposing of the logbook, ensure that it is done in an environmentally friendly manner.
- Check local regulations for proper disposal methods of paper products.

## **Contact Information for Further Support**

For any questions or concerns regarding the RELOADER'S LOG, please refer to the manufacturer's contact information provided with your product. Additionally, stay informed about safety updates and recalls by visiting the EU's Safety Gate platform.

By following these safety instructions, you can ensure a safe and productive reloading experience with the RELOADER'S LOG. Thank you for your attention to safety.
