

# **MAGAZINE EXTENSION SUPPORT CLAMP - NORDIC COMPONENTS MAGAZINE CLAMP W/ TACTICAL RAIL, 12 GA MOSSBERG**

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Accessory Mounts](#)

## **Provides Extra Support**

Strong, lightweight aluminum clamp attaches securely to barrel to provide extra support for extended magazine tube. Eliminates unwanted vibration under recoil to ensure smooth, reliable feeding of rounds. Low-profile design, rounded edges, and flush-mounted hex-head machine screws prevent snags and damage to patrol car interiors; hardcoat anodized surface adds strength and exceptional resistance to surface abrasion. Available in Standard model and Tactical Rail configuration with Picatinny-type accessory rail that may be positioned on left or right side of clamp for mounting flashlights and other accessories. Also available for heavy barreled shotguns/Mossberg.

## **Attributes**

# Safety Instruction Guide for MAGAZINE EXTENSION SUPPORT CLAMP

## Introduction

Thank you for choosing the MAGAZINE EXTENSION SUPPORT CLAMP by Nordic Components. This product is designed to enhance the functionality of your shotgun by providing additional support for extended magazine tubes. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is installed correctly before use.
- Regularly inspect the clamp for any signs of wear or damage.
- Use only with compatible shotguns as specified in the product description.
- Keep the product out of reach of children and unauthorized users.
- Always follow local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- Do not exceed the manufacturer's recommended weight limit for accessories mounted on the tactical rail.
- Avoid using the clamp in environments that may expose it to extreme temperatures or corrosive substances.
- Ensure that the clamp is securely attached to the shotgun barrel before use to prevent accidents.
- Be cautious of sharp edges when handling the clamp during installation and removal.
- If you experience any issues with the product, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools including a hex wrench for the hexhead machine screws.
- Ensure the shotgun is unloaded and pointed in a safe direction during installation.

### 2. Installation Steps:

- Locate the barrel of your shotgun where the clamp will be installed.
- Position the clamp around the barrel, ensuring that it aligns with the extended magazine tube.
- Insert the hexhead machine screws into the designated holes and tighten securely using the hex wrench.
- If using the Tactical Rail configuration, choose the desired side (left or right) for mounting accessories and attach the rail accordingly.

### 3. Usage:

- After installation, perform a function check to ensure that the clamp does not interfere with the operation of the shotgun.
- Regularly check the tightness of the screws to ensure the clamp remains secure during use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for metal waste.
- Do not dispose of the product in general household waste.
- If the product is damaged beyond use, contact your local waste management authority for proper

disposal methods.

## **Contact Information for Further Support**

For safety inquiries and support regarding this product, please refer to the manufacturer's contact details provided at the time of purchase.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using the MAGAZINE EXTENSION SUPPORT CLAMP.
