Safety Instruction Guide for AR15 1/228" ACCUWASHER SYSTEM

Introduction

Thank you for choosing the AR15 1/228" ACCUWASHER SYSTEM by Precision Armament. This product is designed to provide precise indexing for muzzle brakes and flash hiders without the need for peel or crush washers. Please read this safety instruction guide carefully to ensure the safe and effective use of this product.

General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the washers for any signs of damage or wear before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Only use the AR15 1/228" ACCUWASHER SYSTEM with compatible muzzle brakes and flash hiders.
- Avoid using excessive force during installation to prevent damage to the washers or the firearm.
- Ensure that the firearm is unloaded before installing or adjusting the washers.
- Do not modify the washers in any way, as this may compromise their effectiveness and safety.
- Store the washers in a dry place to prevent corrosion and maintain their integrity.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for the installation process.

2. Selecting the Washer

- Choose the appropriate washer thickness from the set of 18 washers included. This allows for 360degree timing in 20degree increments.

3. Installation Process

- Align the chosen washer on the muzzle device.
- Handtighten the muzzle device to the barrel, ensuring it is securely fastened.
- Avoid using any tools that may apply excessive torque, as this could damage the washer or the firearm.

4. Final Checks

- After installation, check that the muzzle device is properly aligned and secured.
- Perform a function check on the firearm to ensure that it operates correctly.

Disposal Instructions

- Dispose of any damaged or worn washers in accordance with local regulations regarding metal waste.
- Do not dispose of the product in regular household waste. Instead, take it to a designated recycling

center that accepts metal products.

Contact Information for Further Support

For any inquiries regarding the use or safety of the AR15 1/228" ACCUWASHER SYSTEM, please refer to the manufacturer's contact information provided with the product packaging.

By following these guidelines, you can ensure the safe and effective use of the AR15 1/228" ACCUWASHER SYSTEM. Thank you for prioritizing safety while enjoying your product.
