PISTOL CAST BULLET BOX MTM CASEGARD Safety Instruction Guide

Introduction

Thank you for choosing the PISTOL CAST BULLET BOX MTM CASEGARD. This product is designed to help bullet casters store and separate their cast bullets safely and effectively. To ensure safe usage and compliance with EU General Product Safety Regulations (GPSR), please read this safety instruction guide carefully.

General Safety Guidelines

- Always store the bullet box in a cool, dry place away from direct sunlight.
- Ensure that the box is kept out of reach of children and pets.
- Inspect the box regularly for any signs of damage or wear. Do not use if damaged.
- Use the box only for its intended purpose – storing cast bullets.
- Follow all local regulations regarding the storage and handling of ammunition and related products.

Specific Safety Precautions for Use

- When handling cast bullets, wear appropriate safety gear, including gloves and eye protection.
- Do not exceed the recommended capacity of the box (160 rounds for .45 ACP and 200+ rounds for 9mm).
- Avoid dropping or throwing the box, as this may cause damage or compromise the safety of the stored bullets.
- Ensure that the box is properly closed and latched when not in use to prevent accidental opening.
- Keep the box away from heat sources and open flames.

Instructions for Installation and Usage

1. Unpacking the Box:

- Remove the box from its packaging.
- Check for any visible damage or missing components.

2. Labeling:

- Use the provided caliber labels to mark the box according to the type of bullets stored.

3. Loading Bullets:

- Open the box by pressing the snaplatch.
- Carefully place your cast bullets into the designated compartments.
- Ensure bullets are placed securely without overcrowding.

4. Closing the Box:

- After loading, close the box by pressing the lid down firmly until the snaplatch clicks into place.

5. Storage:

- Store the box in a designated area that is dry and free from moisture.
- Ensure that the box is not exposed to extreme temperatures.

Disposal Instructions

- Dispose of the box according to local waste management regulations.
- If the box is damaged beyond repair, consider recycling the polypropylene material where facilities exist.
- Do not dispose of the box in open flames or incinerators.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the EU contact point for safety inquiries.

By following these safety instructions, you can ensure a safe and effective experience with your PISTOL CAST BULLET BOX MTM CASEGARD. Thank you for your attention to safety!
