# Safety Instruction Guide for XL TALL OPTIC COMPATIBLE TRIT SIGHTS GLOCK®

## Introduction

Thank you for choosing the XL Tall Optic Compatible Trit Sights for your Glock®. This guide provides essential safety instructions and usage guidelines to ensure your product is used safely and effectively. Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the sights by following all instructions in this guide.
- **Enhanced Recalls:** Stay informed about recalls and safety updates related to this product through the EU's Safety Gate platform.
- **Online Shopping:** If purchased online, ensure the seller complies with safety requirements.
- **Special Consumer Focus:** Extra precautions should be taken if the product is used by children or inexperienced users.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact for this product.
- **Rapid Alerts:** Report any unsafe product experiences to the relevant authorities and check for updates on the Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or handling the sights.
- Do not use the sights in conditions where visibility is severely impaired, as this may affect accuracy.
- Ensure that the sights are compatible with your specific Glock® model (excludes models 42, 43, and 48).
- Always use the sights in accordance with local laws and regulations regarding firearms.
- If you experience any issues with the sights, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing sights from your Glock® using a sight pusher tool or appropriate method.
- Clean the sight mounting area to remove any debris or residue.
- Align the new XL Tall Optic Compatible Trit Sights with the mounting holes.
- Securely fasten the sights in place, ensuring they are tightly fitted to prevent movement during use.

### 2. Usage:

- Once installed, familiarize yourself with the sight picture provided by the 3Dot configuration.
- Ensure the Tritium inserts are properly illuminated in lowlight conditions.
- Practice aiming and shooting with the new sights to adjust to their height and alignment.
- Regularly check the sights for any signs of wear or damage.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm accessories.
- If the product is damaged or no longer needed, ensure it is disposed of safely to prevent any potential hazards.

## **Contact Information for Further Support**

For any questions or concerns regarding the installation, usage, or safety of the XL Tall Optic Compatible Trit Sights, please refer to the designated EU contact for this product.

Thank you for your attention to these safety instructions. Enjoy using your new sights responsibly and safely!
