SUPPRESSOR SIGHT SET for GLOCK® Consumer Safety Instruction Guide

Introduction

Thank you for choosing the SUPPRESSOR SIGHT SET for GLOCK® by AMERIGLO. This guide provides important safety information and instructions to ensure the safe use and installation of your sight set. Please read this guide carefully and keep it for future reference.

General Safety Guidelines

- **Product Safety:** Ensure safe use of this sight set by following all instructions provided. This product is designed for use with GLOCK® firearms and should only be used as intended.
- **Enhanced Recalls:** In the event of a product recall, you will be notified through standardized notices. Please stay informed about any updates regarding your product.
- **Online Shopping:** If purchased online, ensure that the seller meets all safety requirements as outlined by EU regulations.
- **Special Consumer Focus:** This product is not intended for children. Keep it out of reach of minors to avoid accidents.
- **EU Contact Point:** For safety inquiries, refer to the product packaging or retailer for the appropriate contact information.
- **Rapid Alerts:** Stay updated on any safety alerts regarding this product through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation:** Ensure that the sight set is installed correctly on your firearm. Incorrect installation can lead to improper sight alignment and potential accidents.
- **Usage:** Always use the sight set in accordance with the manufacturer's guidelines. Do not modify the product in any way.
- **Maintenance:** Regularly inspect the sight set for any signs of wear or damage. Replace if necessary to maintain safe operation.
- **Storage:** Store the sight set in a cool, dry place when not in use. Avoid exposing it to extreme temperatures or moisture.
- **Handling:** Always handle your firearm safely and responsibly. Ensure that the firearm is unloaded when installing or adjusting the sight set.

Instructions for Installation and Usage

1. Installation:

- Ensure your GLOCK® firearm is unloaded.
- Remove the existing sights according to the manufacturer's instructions.
- Align the new SUPPRESSOR SIGHT SET with the sight dovetails on your firearm.
- Secure the sights in place using the appropriate tools, ensuring they are tightly fitted.
- Verify that the sights are properly aligned for optimal accuracy.

2. Usage:

- When using the sight set, ensure that your firearm is properly maintained and functioning.
- Use the sights in lowlight conditions to take advantage of the Tritium inserts, which will illuminate for better visibility.
- Practice regularly to become familiar with the sight picture provided by the 3Dot configuration.

Disposal Instructions

- Dispose of any packaging materials and old sights in accordance with local regulations.
- If the sight set is damaged or no longer usable, consult local waste management guidelines for proper disposal methods to ensure environmental safety.

Contact Information for Further Support

For any questions or concerns regarding your SUPPRESSOR SIGHT SET for GLOCK®, please refer to the retailer from whom you purchased the product for further assistance.

Thank you for your attention to these safety guidelines. Enjoy your new sight set and practice safe handling of your firearm at all times.
