

# TACTICAL FLOORPLATES FOR GLOCK® - TANGODOWN TACTICAL MAGAZINE FLOOR PLATES FOR GLOCK®

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Extension](#)

## Oversized For Reliable Mag Extraction Under All Conditions

The Vickers Tactical floorplate gives the shooter an enhanced gripping surface for ripping a stuck magazine from the gun if it refuses to fall free during a crucial reload. The larger plate works well with gloves and can even be hooked on a belt or holster in a tight situation. Plates are made of glass-filled nylon for high strength and impact resistance and have eight concave dots molded into the bottom for numbering or marking your magazines. Glock® Small Frame fits magazines for pistols in 9mm, .40 S&W, .357 SIG, and .45 GAP. Sold in a 5-Pak. G42 fits Glock® model 42 only. Sold in 2-Pak. M&P fits Smith & Wesson M&P full-size magazines for pistols chambered 9mm, .357 SIG, and .40 S&W; will not fit M&P Compact mags.

# Safety Instruction Guide for Tactical Floorplates for Glock®

## Introduction

Thank you for choosing the Tactical Floorplates for Glock® by Tangodown. This guide provides essential safety instructions to ensure the safe use and handling of your product. Please read this guide carefully before using the floorplates to understand the safety precautions and proper usage.

## General Safety Guidelines

- Ensure safe use of the Tactical Floorplates for Glock® by following these guidelines:
  - Always use the floorplates as intended and in accordance with the manufacturer's instructions.
  - Keep the product out of reach of children and vulnerable individuals.
  - Inspect the floorplates regularly for signs of wear or damage before use.
  - Do not modify the floorplates in any way, as this may compromise safety and performance.
  - Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- When using the Tactical Floorplates for Glock®, observe the following precautions:
  - Ensure that the firearm is unloaded before attaching or removing the floorplates.
  - Use gloves if necessary, as the larger plate is designed for enhanced grip.
  - Avoid using the floorplates in extreme conditions that may affect their integrity, such as high temperatures or exposure to harsh chemicals.
  - Be aware that the floorplates may not function with some aftermarket magazine wells or guides.
  - Always store the floorplates in a dry, cool place when not in use.

## Instructions for Installation and Usage

To install and use the Tactical Floorplates for Glock®, follow these steps:

### 1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing magazine floorplate by pushing the release tab and sliding it off.
- Align the Tactical Floorplate with the magazine base.
- Slide the Tactical Floorplate onto the magazine until it clicks into place.

### 2. Usage:

- To remove a stuck magazine, grip the Tactical Floorplate firmly and pull downward to release it from the firearm.
- If using gloves, ensure they fit well to maintain control while handling the magazine.
- Use the concave dots on the bottom of the floorplate to mark or number your magazines for easy identification.

## Disposal Instructions

- Dispose of the Tactical Floorplates in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the floorplates are damaged or no longer usable, consider recycling materials where possible.

## **Contact Information for Further Support**

For any safety inquiries or further support, please reach out to the EUbased contact point provided with your product packaging or documentation.

By adhering to these safety instructions, you can ensure a safer experience while using the Tactical Floorplates for Glock®. Thank you for prioritizing safety and responsible usage.
