

# AR-15/ 308 AR NiB-X® COATED TRIGGER - WMD GUNS NiB-X® AR-15 TRIGGER

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

## Ultra-Hard, Ultra-Slick Finish Gives Smooth, Reliable Performance

These precision-machined components are coated with WMD's ultra-tough NiB-X® nickel boron finish for superior durability, corrosion resistance, and exceptionally smooth metal-on-metal contact. The coating allows the parts to function under extreme conditions with little or no lubrication, and gives carbon fouling nothing to adhere to, so cleanup is much easier than with ordinary finishes. Allows longer intervals between cleaning without loss of weapon performance.

## Attributes

- Name: [WMD GUNS NiB-X® AR-15 TRIGGER](#)
- Manufacturer: [WMD GUNS](#)
- Product no.: 100009997
- Mfr. No.: 1-NIBXT
- Weapon type: AR .308,AR-15
- Delivery weight: 0.027kg
- Shipping width: 83mm
- Shipping length: 146mm
- UPC: 855899003072

## Item details

Made in USA

US export classification: 0A501.c

# Safety Instruction Guide for AR15/308 AR NiBX® Coated Trigger

## Introduction

Thank you for choosing the AR15/308 AR NiBX® Coated Trigger by WMD Guns. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your trigger. Please read this document carefully before installation and use.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that you are in a safe environment when handling firearms.
- Keep firearms out of reach of children and unauthorized users.
- Wear appropriate safety gear, including eye and ear protection, when using firearms.
- Regularly inspect your firearm and its components for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- Ensure that the trigger is compatible with your specific AR15 lower receiver (smallpin .154").
- Do not modify the trigger or any of its components, as this may compromise safety and functionality.
- Use only highquality ammunition that is compatible with your firearm.
- Avoid using the trigger in extreme weather conditions without proper precautions.
- Regularly clean the trigger and associated components to maintain performance and safety.
- If you experience any malfunctions or unusual behavior, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger from your AR15 lower receiver following the manufacturer's instructions.
- Carefully install the NiBX® Coated Trigger, ensuring that all components are properly aligned.
- Secure the trigger in place using the appropriate pins and tools.
- Perform a function check to ensure the trigger operates correctly before using the firearm.

### 2. Usage:

- Always follow safe handling practices while using your firearm.
- Ensure that you are familiar with the operation of your firearm and its components.
- Maintain a proper shooting stance and grip to ensure control.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure that you have a clear line of sight and backstop.

## Disposal Instructions

- Dispose of the trigger and any associated components in accordance with local laws and regulations.
- Do not dispose of the trigger in regular household waste.
- Contact a local firearms dealer or recycling center for proper disposal options.

## **Contact Information for Further Support**

For any inquiries related to safety, compatibility, or product support, please reach out to the manufacturer or authorized dealer where you purchased the product. Ensure that you have your product details and purchase information ready for efficient assistance.

By following these safety guidelines and instructions, you can ensure the safe use of your AR15/308 AR NiBX® Coated Trigger. Thank you for prioritizing safety in your firearm practices.
