# Safety Instruction Guide for LEE Universal Shell Holder, #2

## Introduction

Thank you for choosing the LEE Universal Shell Holder, #2. This product is designed for use with various brands of reloading presses, providing versatility in your reloading activities. To ensure your safety and the safe use of this product, please read and follow the guidelines outlined in this instruction guide.

## General Safety Guidelines

- Always handle reloading equipment with care and follow all safety protocols.
- Ensure you understand the operation of your reloading press before using the shell holder.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly inspect your shell holder for signs of wear or damage before each use.
- If you experience any issues during use, cease operation immediately and consult the manufacturer's guidelines.

## Specific Safety Precautions for Use

- This shell holder is not compatible with the Lee Auto Prime. Do not attempt to use it with this device.
- Always wear appropriate safety gear, including safety glasses, when reloading ammunition.
- Ensure that the shell holder is securely attached to the reloading press before use.
- Avoid overtightening the shell holder, as this may cause damage to the holder or the press.
- Do not exceed the recommended specifications for the cartridges listed in this guide.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the reloading press is turned off and unplugged.
- Select the appropriate shell holder based on the cartridge you will be using.
- Insert the shell holder into the reloading press according to the manufacturer's instructions.
- Secure the shell holder in place, ensuring it is firmly attached.

### 2. Usage:

- Load the cartridge into the shell holder, ensuring it fits securely.
- Follow the reloading press instructions for operating the press safely.
- Monitor the reloading process closely to ensure safe operation.
- After reloading, remove the shell holder from the press and clean it as needed.

## Disposal Instructions

- Dispose of the shell holder according to local regulations for metal products.
- Do not dispose of the shell holder in regular household waste.
- If the shell holder is damaged or no longer usable, consider recycling it at a designated facility.

## Contact Information for Further Support

For any safety inquiries or issues related to the LEE Universal Shell Holder, #2, please consult the manufacturer's customer service or your local distributor. It is important to have a point of contact for any

safety concerns.

By following these guidelines, you can ensure a safe and effective reloading experience with your LEE Universal Shell Holder, #2. Always prioritize safety and remain informed about best practices in reloading. Thank you for your attention to these important safety instructions.
