Safety Instruction Guide for the Lee Precision Universal Shell Holder, #8

Introduction

Thank you for choosing the Lee Precision Universal Shell Holder, #8. This product is designed to provide reliable performance when used with most brands of reloading presses. Please read this safety instruction guide carefully to ensure safe and effective use of the shell holder.

General Safety Guidelines

- Always use the shell holder in accordance with the manufacturer's instructions.
- Inspect the shell holder for any damage or wear before each use.
- Keep the shell holder out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as safety glasses and gloves when reloading.
- Be aware of your surroundings and ensure you are in a safe environment while reloading.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not use the shell holder with the Lee Auto Prime.
- Ensure that the shell holder is compatible with the cartridge you are using (e.g., 4570 Government, 348 Winchester, 416 Rigby).
- Always make sure that the reloading press is securely mounted and stable before use.
- Avoid overtightening the shell holder in the press, as this may cause damage.
- Do not exceed the recommended load limits for your reloading press or shell holder.
- Use caution when handling reloaded cartridges and keep them stored safely to prevent accidents.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is turned off and unplugged (if applicable).
- Select the appropriate shell holder for your cartridge.
- Insert the shell holder into the reloading press according to the manufacturer's instructions.
- Tighten the shell holder securely, but do not overtighten.

2. Usage:

- Load the cartridge into the shell holder, ensuring it fits snugly.
- Follow the reloading press instructions for operating the press.
- Monitor the reloading process closely to ensure safety and accuracy.
- After reloading, carefully remove the cartridges from the shell holder.

Disposal Instructions

- Dispose of any damaged or worn shell holders in accordance with local regulations.
- Do not dispose of the shell holder in regular household waste. Check with local waste management for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or support regarding the Lee Precision Universal Shell Holder, #8, please refer to the contact information provided on the product packaging or the manufacturer's website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Lee Precision Universal Shell Holder, #8. Thank you for prioritizing safety in your reloading activities.
