# Safety Instruction Guide for LEE Precision Universal Shell Holder, #11

## Introduction

Thank you for choosing the LEE Precision Universal Shell Holder, #11. This product is designed for use with most brands of reloading presses, providing reliable performance for various cartridges such as 44 Magnum, 44 Special, 444 Marlin, 45 (Long) Colt, and 303 Savage. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the shell holder is compatible with your reloading press before use.
- Always follow the manufacturer's instructions for your specific reloading press.
- Keep the shell holder and all reloading equipment out of reach of children.
- Report any unsafe conditions or accidents to relevant authorities.
- Regularly check for updates on recalls or safety alerts regarding this product on the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Do not use the shell holder with the Lee Auto Prime as it is not compatible.
- Inspect the shell holder for any signs of wear or damage before each use. Do not use if damaged.
- Avoid using excessive force when inserting or removing the shell holder from the press.
- Always wear safety glasses when reloading to protect your eyes from debris.
- Ensure that your work area is welllit and free from clutter to prevent accidents.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the reloading press is turned off and unplugged (if applicable).
- Locate the shell holder slot on your reloading press.
- Align the Universal Shell Holder, #11 with the slot and gently insert it until it is securely in place.
- Doublecheck that the shell holder is properly seated before proceeding.

### 2. Usage

- Select the appropriate cartridge that the shell holder supports.
- Insert the cartridge into the shell holder, ensuring it is seated correctly.
- Follow your reloading press instructions for the specific reloading process.
- After use, carefully remove the cartridge from the shell holder and store it safely.

## Disposal Instructions

- Dispose of the shell holder according to local regulations regarding metal products.
- If the shell holder is damaged or no longer usable, consider recycling it at a designated facility.

## Contact Information for Further Support

For any inquiries or support regarding the LEE Precision Universal Shell Holder, #11, please refer to the manufacturer's website or customer service resources.

By following these guidelines and instructions, you can ensure the safe and effective use of the LEE Precision Universal Shell Holder, #11. Thank you for your commitment to safety in reloading practices.
