Safety Instruction Guide for LEE CLASSIC LOADERS LEE PRECISION 45 COLT LOADER

Introduction

Thank you for choosing the LEE CLASSIC LOADERS LEE PRECISION 45 COLT LOADER. This product is designed to provide you with a complete reloading system for your ammunition needs. It is important to follow the safety guidelines and instructions provided in this manual to ensure safe and effective use of the product.

General Safety Guidelines

- Always read and understand the instructions before using the reloading system.
- Ensure that you are in a wellventilated area while reloading ammunition.
- Keep the reloading kit out of reach of children and unauthorized users.
- Use appropriate personal protective equipment, such as safety glasses and gloves, when handling materials.
- Do not use the reloading kit for any purpose other than its intended use.
- Regularly inspect all components of the reloading system for wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Cartridge Safety:** Only use the loader with .45 Colt cartridges. Using incorrect cartridges can lead to malfunction or injury.
- **Hammer Use:** A hammer or rubber mallet is required for operation. Ensure you use the correct type and avoid excessive force.
- **Powder Handling:** Handle gunpowder with care. Store it in a safe place, away from heat sources and open flames.
- **Priming Safety:** Follow all instructions when priming cases. Improper handling of primers can cause explosions.
- **Environmental Considerations:** Ensure that you are working in a clean area free from flammable materials.
- **Emergency Procedures:** Familiarize yourself with emergency procedures in case of an accident during reloading.

Instructions for Installation and Usage

1. **Unboxing:** Carefully remove all components from the plastic case.
2. **Component Check:** Verify that the kit includes:
 - Sizing Die
 - Decapping Chamber
 - Bullet Seater
 - Priming Chamber
 - Priming Rod
 - Powder Measure
 - Load Data
 - Plastic Case
 - Complete Instructions
3. **Setup:**
 - Place the sizing die in a stable location.
 - Set up the decapping chamber according to the provided instructions.
 - Assemble the bullet seater and priming chamber as per the manual.
4. **Reloading Process:**

- Follow the stepbystep instructions in the manual for reloading cartridges.
 - Ensure that all measurements and weights are accurate to prevent malfunctions.
5. **Cleaning:** After use, clean all components to ensure longevity and safe storage.

Disposal Instructions

- Dispose of any unused components, including primers and gunpowder, in accordance with local hazardous waste regulations.
- Do not dispose of ammunition or components in regular household waste.
- Contact local authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the LEE CLASSIC LOADERS LEE PRECISION 45 COLT LOADER, please refer to the product's documentation or consult with an authorized dealer. It is essential to have a point of contact for safety inquiries as per EU regulations.

By following these safety instructions, you can ensure a safe and effective reloading experience. Thank you for your attention to these important guidelines.
