

# RIFLE FACTORY CRIMP DIES - LEE PRECISION 7.62X39MM FACTORY CRIMP DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Lee Factory Crimp Die crimps the bullet in place more firmly than any other tool. Tests demonstrate that even bullets which have no crimp groove will shoot more accurately. A firm crimp improves accuracy because pressure must build to a higher level before the bullet begins to move. This higher start pressure insures a more uniform pressure curve and less velocity variation. Features a collet that squeezes the case mouth into the crimping groove for a firm hold. Shellholder not included. Fits all 7/8"-14 reloading presses.

## Attributes

- Name: [LEE PRECISION 7.62X39MM FACTORY CRIMP DIE](#)
- Manufacturer: [LEE PRECISION](#)
- Product no.: 100010088
- Mfr. No.: 90827
- Cartridge: 7.62 x 39 mm Russian
- Die Style: Crimp Die
- Delivery weight: 0.118kg
- Shipping height: 51mm
- Shipping width: 51mm
- Shipping length: 121mm
- UPC: 734307908270

# Safety Instruction Guide for Lee Precision 7.62x39mm Factory Crimp Die

## Introduction

Thank you for choosing the Lee Precision 7.62x39mm Factory Crimp Die. This guide provides important safety instructions to ensure the safe use of this product. Please read and follow these guidelines carefully to avoid potential hazards and to ensure optimal performance.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always wear appropriate safety gear, including eye protection, when reloading ammunition.
- Keep the workspace clean and organized to prevent accidents.
- Store the die in a safe, dry place away from children and pets.
- Regularly check for any signs of wear or damage before use.
- Follow all local laws and regulations regarding ammunition reloading.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Improper handling or use of the crimp die can lead to accidents or injuries.
- Use only compatible cartridges (7.62x39mm) to avoid malfunction.

### • Avoiding Hazards:

- Do not use the die if it shows signs of damage or wear.
- Ensure that the die is securely attached to the reloading press before use.
- Never exceed recommended load specifications when reloading ammunition.

### • Age Specific Warnings:

- This product is not suitable for use by individuals under the age of 18. Always supervise minors when using reloading equipment.

## Instructions for Installation and Usage

### • Installation:

1. Ensure that your reloading press is turned off and unplugged.
2. Select the appropriate shellholder for your cartridge (not included).
3. Attach the Lee Factory Crimp Die to the reloading press by screwing it into the 7/8"14 thread.
4. Adjust the die to the desired height for crimping by turning the die body.

### • Usage:

1. Insert a properly sized and prepared case into the shellholder.
2. Place a bullet into the case mouth.
3. Pull the handle of the reloading press to raise the ram, bringing the case into contact with the die.
4. The collet will squeeze the case mouth into the crimping groove of the bullet, securing it in place.
5. Release the handle and remove the crimped cartridge from the shellholder.
6. Inspect the crimped cartridge to ensure proper crimping.

## Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the die or any reloading components in regular household waste.
- Contact local waste management services for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the Lee Precision 7.62x39mm Factory Crimp Die, please refer to the manufacturer's contact information provided with your product packaging.

## Conclusion

By following these safety guidelines and instructions, you can ensure a safe and effective reloading experience with the Lee Precision 7.62x39mm Factory Crimp Die. Always prioritize safety and compliance with local laws and regulations when reloading ammunition. Thank you for your attention to these important safety measures.
