# PACESETTER RIFLE THREEDIE SET LEE PRECISION 223 REMINGTON

## Introduction

Thank you for choosing the PACESETTER RIFLE THREEDIE SET manufactured by LEE PRECISION. This product is designed for reloading 223 Remington cartridges and includes essential components for safe and effective use. Please read this safety instruction guide carefully to ensure proper handling and operation of the product.

## General Safety Guidelines

- Always follow the manufacturer's instructions for use.
- Ensure that you are using the correct reloading components and materials.
- Store all reloading materials in a safe, dry place away from children and pets.
- Use personal protective equipment (PPE) such as safety glasses and gloves when reloading.
- Do not consume food or beverages in the reloading area to avoid contamination.
- Regularly inspect your reloading equipment for signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazardous Materials:** Reloading involves the use of powders and primers which can be hazardous. Handle these materials with care.
- **Age Restrictions:** This product is intended for use by adults only. Keep out of reach of children.
- **Ventilation:** Ensure adequate ventilation when reloading to avoid inhalation of potentially harmful fumes.
- **Fire Safety:** Keep reloading components away from open flames or heat sources.
- **Equipment Compatibility:** Ensure that the PACESETTER RIFLE THREEDIE SET is compatible with your reloading press (7/8"14 thread).
- **Proper Use of Dies:** Follow the instructions for each die to avoid accidents and ensure safe reloading.

## Instructions for Installation and Usage

### 1. Unpacking the Set:

Carefully unpack the PACESETTER RIFLE THREEDIE SET and check that all components are included:

- Full Length Sizing Die
- Bullet Seating Die
- Factory Crimp Die
- Universal Shell Holder
- Powder Dipper
- Instructions/Load Data

### 2. Setting Up Your Reloading Press:

- Secure the reloading press to a stable work surface.
- Install the Universal Shell Holder into the press according to the press's manual.

### 3. Using the Full Length Sizing Die:

- Insert a brass case into the Universal Shell Holder.
- Adjust the Full Length Sizing Die to the correct depth as per the instructions provided.

- Operate the press to resize the brass case.

#### **4. Using the Bullet Seating Die:**

- Place a resized brass case into the Universal Shell Holder.
- Adjust the Bullet Seating Die to the desired seating depth.
- Insert a bullet into the case and operate the press to seat the bullet.

#### **5. Using the Factory Crimp Die:**

- Insert the loaded cartridge into the Universal Shell Holder.
- Adjust the Factory Crimp Die to apply the desired crimp.
- Operate the press to crimp the bullet.

#### **6. Cleaning and Maintenance:**

- After use, clean the dies and store them in a dry place.
- Regularly check for any wear or damage to the dies and replace as necessary.

## **Disposal Instructions**

- Dispose of any unused or expired reloading materials in accordance with local regulations.
- Do not dispose of hazardous materials in regular trash. Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the PACESETTER RIFLE THREEDIE SET, please refer to the manufacturer's contact information provided on the product packaging or visit the official website for support.

By following these guidelines, you can ensure a safe and effective reloading experience with the PACESETTER RIFLE THREEDIE SET. Thank you for your attention to safety and responsible reloading practices.
