# PACESETTER RIFLE THREEDIE SET SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the PACESETTER RIFLE THREEDIE SET by LEE PRECISION for your reloading needs. This product is designed to help you safely and effectively reload ammunition for the 3030 Winchester cartridge. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the work area is clean, wellventilated, and free from distractions.
- Store the reloading dies and components in a secure location, out of reach of children and pets.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling reloading materials.
- Regularly inspect your reloading equipment for wear and damage.
- Follow local laws and regulations regarding ammunition reloading and storage.

## Specific Safety Precautions for Use

- Handle all reloading components, including powders and primers, with care to prevent accidental ignition.
- Avoid using damaged or worn components; replace them immediately.
- Never exceed recommended powder charges as indicated in reliable reloading manuals.
- Keep all reloading materials away from heat sources, sparks, and open flames.
- Use the dies according to the manufacturer's instructions to avoid malfunctions or accidents.
- Be cautious of the potential for lead exposure; wash your hands thoroughly after handling lead components.

## Instructions for Installation and Usage

### 1. Setup

- Ensure your reloading press is securely mounted and stable.
- Gather all necessary tools and materials before starting the reloading process.

### 2. Installing the Dies

- Remove the existing die from your reloading press, if applicable.
- Install the Full Length Sizing Die into the press and tighten securely.
- Insert the Bullet Seating Die into the press and tighten securely.
- Finally, install the Factory Crimp Die and ensure it is secured.

### 3. Using the Dies

- Follow the instructions provided with the die set to adjust the dies for proper operation.
- Use the Universal Shell Holder to securely hold the cartridge case during the reloading process.
- Use the Powder Dipper to measure the correct amount of powder for each cartridge.
- Carefully seat the bullet using the Bullet Seating Die, ensuring it is seated to the correct depth.
- Apply the Factory Crimp Die to ensure a proper crimp on the cartridge.

### 4. Final Checks

- Inspect each loaded cartridge for proper seating and crimping.
- Store completed ammunition in a safe and secure location.

## Disposal Instructions

- Dispose of any unused or expired reloading components according to local regulations.
- Do not dispose of hazardous materials in regular household waste.
- Check with local waste management authorities for proper disposal methods for hazardous materials.

## Contact Information for Further Support

For any questions or concerns regarding the PACESETTER RIFLE THREEDIE SET, please consult the manufacturer's customer support or refer to the product's official website for additional resources.

By following these safety instructions, you can ensure a safe and effective reloading experience with your PACESETTER RIFLE THREEDIE SET. Always prioritize safety and consult official resources for any uncertainties.  
Happy reloading!
