# PACESETTER RIFLE THREEDIE SET LEE PRECISION 7MM REM MAG PACESETTER 3DIE SET Safety Instruction Guide

## Introduction

Thank you for choosing the PACESETTER RIFLE THREEDIE SET by LEE PRECISION. This product is designed for reloading 7mm Remington Magnum cartridges and includes essential components to ensure a safe and effective reloading process. Please read this safety instruction guide carefully to understand how to use this product safely and responsibly.

## General Safety Guidelines

- Always handle reloading equipment with care and respect.
- Keep all components out of reach of children and vulnerable individuals.
- Use protective eyewear and gloves while reloading.
- Ensure your work area is clean, organized, and free from distractions.
- Store all reloading materials in a secure location, away from heat sources and direct sunlight.
- Regularly inspect your equipment for signs of wear or damage before use.
- Follow all local laws and regulations regarding ammunition reloading.

## Specific Safety Precautions for Use

### • Hazard Identification:

- The reloading process involves the use of gunpowder and primers, which can be hazardous if not handled properly.
- Improper use of dies may lead to accidents or malfunctions.

### • Avoiding Hazards:

- Always doublecheck that you have the correct die set for the cartridge you are reloading.
- Never exceed the recommended powder charges as specified in the load data.
- Avoid using damaged or worn components; replace them immediately.
- Work in a wellventilated area to prevent the accumulation of harmful fumes.

### • AgeSpecific Warnings:

- This product is not intended for use by individuals under the age of 18.
- Ensure that inexperienced users are supervised by a knowledgeable adult when using this product.

## Instructions for Installation and Usage

### 1. Setup:

- Before beginning, ensure you have a clean and organized workspace.
- Gather all necessary components: Full Length Sizing Die, Bullet Seating Die, Factory Crimp Die, Universal Shell Holder, Powder Dipper, and Instructions/Load Data.

### 2. Installation:

- Secure the Full Length Sizing Die into your reloading press, following the manufacturer's

instructions for your specific press model.

- Attach the Bullet Seating Die and Factory Crimp Die in the same manner.
- Ensure all dies are tightened properly to avoid movement during operation.

### **3. Reloading Process:**

- Refer to the provided Instructions/Load Data for specific measurements and procedures.
- Use the Universal Shell Holder to hold the cartridge case securely during resizing and seating.
- Measure powder with the Powder Dipper according to the load data provided.
- Follow the sequence: resize the case, seat the bullet, and apply crimp as needed.

### **4. Final Checks:**

- Inspect each completed cartridge for consistency and safety.
- Store completed cartridges in a designated, secure container.

## **Disposal Instructions**

- Dispose of any unused or expired materials according to local regulations.
- Do not dispose of gunpowder or primers in regular trash; contact local hazardous waste disposal services for guidance.
- Ensure that all components are disposed of safely to prevent accidental use or environmental contamination.

## **Contact Information for Further Support**

For safety inquiries or further assistance, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety instructions, you can ensure a safe and enjoyable reloading experience with your PACESETTER RIFLE THREEDIE SET. Thank you for your attention to safety and responsible usage.
