## Safety Instructions

### Introduction

Thank you for choosing the PACESETTER RIFLE THREEDIE SET by LEE PRECISION. This product is designed for reloading 7.62 x 39 mm Russian cartridges. While this product can enhance your reloading experience, it is essential to follow safety guidelines to ensure safe and effective use.

### General Safety Guidelines

- Always read and understand all instructions before using the product.
- Ensure that the reloading area is wellventilated and free from distractions.
- Keep all tools and materials out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling reloading materials.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

### Specific Safety Precautions for Use

#### • Hazard Identification:

- Improper use of reloading equipment may lead to accidents, including explosions or injuries.
- Always handle ammunition components with care to avoid ignition or accidental discharge.

#### • Avoiding Hazards:

- Ensure that the dies are securely installed on the reloading press before use.
- Do not exceed recommended powder loads as stated in the load data provided.
- Always doublecheck measurements and settings before commencing the reloading process.
- Keep your workspace clean and organized to minimize the risk of accidents.

### Instructions for Installation and Usage

#### 1. Installation:

- Securely attach the Full Length Sizing Die to your reloading press using the provided universal shell holder.
- Install the Bullet Seating Die and Factory Crimp Die as per the instructions included in the set.
- Ensure all dies are properly tightened to prevent movement during operation.

#### 2. Usage:

- Follow the load data instructions carefully for the type of ammunition you are reloading.
- Use the Powder Dipper provided to measure powder charges accurately.
- Seat bullets to the specified depth to ensure proper chambering.
- After reloading, inspect each cartridge for defects before use.

## Disposal Instructions

- Dispose of any unused or expired reloading materials according to local regulations.
- Do not throw away hazardous materials in regular waste. Contact local waste management for proper disposal methods.
- Ensure that all packaging materials are recycled or disposed of responsibly.

## Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's website or contact your local distributor. Always ensure that you have the latest safety information and product updates.

Thank you for prioritizing safety while using your PACESETTER RIFLE THREEDIE SET. Enjoy your reloading experience responsibly!
