Safety Instruction Guide for 4 DIE DELUXE PISTOL DIE SET LEE PRECISION 45 COLT CARBIDE 4DIE SET

Introduction

Thank you for choosing the 4 DIE DELUXE PISTOL DIE SET from Lee Precision. This guide provides important safety instructions and usage guidelines to ensure your safe and effective use of this product. Please read this guide carefully before using the die set.

General Safety Guidelines

- Always ensure that your work area is clean and well lit.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while using the die set.
- Keep the die set and all reloading components out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding ammunition reloading.
- Be aware of the potential hazards associated with reloading ammunition, including the handling of gunpowder and primers.
- Always handle reloading equipment with care to avoid injury.

Specific Safety Precautions for Use

- **Carbide Full Length Sizing Die:** Ensure the die is properly adjusted before use to avoid oversizing the brass.
- **Bullet Seating Die:** Check the bullet seating depth regularly to ensure consistency and safety.
- **Powder Thru Expanding Die:** Use caution when handling powder. Avoid spilling and ensure that the powder measure is accurate.
- **Carbide Factory Crimp Die:** Use this die to separate bullet seating from crimping. Ensure that the crimp is not too tight, which can lead to dangerous pressures.
- **Shell Holder:** Ensure that the shell holder is compatible with the cartridge being used.
- **General Handling:** Always doublecheck that the dies are securely mounted in your press before operation.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is securely mounted to a stable workbench.
- Select the appropriate die for your operation and screw it into the press until snug.
- Adjust the die according to the manufacturer's instructions for the specific operation (sizing, seating, crimping).

2. Usage:

- Always refer to the load data provided with the product or consult a reliable reloading manual.
- Measure your powder charge carefully and verify it with a scale.
- Inspect each round after loading for any visible defects or irregularities.
- Store all reloading components, including this die set, in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of any unused or expired components, such as gunpowder and primers, according to local regulations.
- Recycle metal parts when possible. Check with local recycling centers for guidelines.
- Do not dispose of ammunition or reloading components in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the 4 DIE DELUXE PISTOL DIE SET, please contact the manufacturer or your local distributor for assistance. Always keep this guide for future reference.

Conclusion

Following these safety instructions will help ensure that your experience with the 4 DIE DELUXE PISTOL DIE SET is safe and enjoyable. Always prioritize safety and adhere to best practices while reloading ammunition. Thank you for your attention to these important guidelines.
