Safety Instruction Guide for PISTOL CARBIDE 3 DIE SETS LEE PRECISION 44 SPECIAL CARBIDE 3DIE SET

Introduction

Thank you for choosing the PISTOL CARBIDE 3 DIE SETS LEE PRECISION 44 SPECIAL CARBIDE 3DIE SET. This product is designed for reloading ammunition safely and efficiently. Please read this safety instruction guide carefully to ensure safe and proper use of the die set.

General Safety Guidelines

- Always read and understand all instructions before using the die set.
- Keep the die set out of reach of children and unauthorized users.
- Use the die set only for its intended purpose, which is reloading .44 Special cartridges.
- Inspect the die set regularly for any signs of wear or damage before each use.
- Store the die set in a dry, secure location to prevent damage or unauthorized access.
- Be aware of local laws and regulations regarding ammunition reloading.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper use of the die set can lead to serious injury or damage.
 - Always wear safety glasses when using the die set to protect your eyes from debris.
 - Use hearing protection if operating in a noisy environment.
- **Avoiding Hazards:**
 - Do not use the die set if you are under the influence of drugs or alcohol.
 - Ensure that your workspace is clean and organized to prevent accidents.
 - Never exceed the recommended load data provided in the instructions.
 - Always ensure the press is securely mounted and stable before use.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is compatible with the die set.
- Remove any existing dies from the press if necessary.
- Install the Carbide Full Length Sizing Die in the press according to the manufacturer's instructions.
- Secure the die in place and check for proper alignment.
- Repeat the process for the Bullet Seating Die and Powder Thru Expanding Die.
- Attach the shell holder to the press.

2. Usage:

- Prepare your workspace by ensuring all necessary materials are within reach.
- Follow the load data provided in the instructions to select appropriate components.
- Start with the Carbide Full Length Sizing Die to resize the brass cases.
- Use the Powder Thru Expanding Die to expand the case mouth for bullet seating.

- Finally, use the Bullet Seating Die to properly seat the bullets to the desired depth.
- Regularly check for consistency in your reloads and make adjustments as necessary.

Disposal Instructions

- Dispose of any unused or spent components in accordance with local regulations.
- Do not dispose of ammunition or reloading materials in regular household waste.
- Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the PISTOL CARBIDE 3 DIE SETS LEE PRECISION 44 SPECIAL CARBIDE 3DIE SET, please reach out to your local retailer or the manufacturer for assistance.

By following these safety guidelines and instructions, you can ensure a safe and effective reloading experience. Thank you for your commitment to safety and responsible reloading practices.
