# **Safety Instruction Guide for DECAPPER AND BASE LEE PRECISION LEE DECAPPER & BASE, .22 CAL**

## **Introduction**

Thank you for choosing the DECAPPER AND BASE LEE PRECISION LEE DECAPPER & BASE for your reloading needs. This product is designed to easily remove crimped in primers from military cases, specifically available for .22 or .30 caliber cases. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## **General Safety Guidelines**

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Do not use the product if it is damaged or malfunctioning.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the product.
- Follow all local regulations and guidelines related to reloading and handling ammunition components.

## **Specific Safety Precautions for Use**

- Do not exceed the recommended capacity of the decapper.
- Always work in a wellventilated area to avoid inhaling any dust or particles generated during the decapping process.
- Avoid distractions while using the product to maintain full concentration.
- Store the product in a dry and secure location when not in use.
- Never use the decapper on live ammunition.
- Ensure that your workspace is clear of clutter and potential hazards.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure the decapper is compatible with the caliber of cases you are using (.22 or .30 cal).
- Securely attach the decapper to your reloading press according to the manufacturer's instructions.
- Verify that all components are tightened and properly aligned before use.

### **2. Usage:**

- Insert the military case into the decapper.
- Apply steady pressure to the handle of the reloading press to remove the crimped primer.
- Inspect the primer pocket after decapping to ensure it is clean and free of debris.
- Repeat the process for each case, ensuring consistent application of pressure.

### **3. PostUsage Care:**

- Clean the decapper after each use to remove any residue or debris.
- Store the decapper in a protective case or designated storage area.

## **Disposal Instructions**

- Dispose of any used primers and components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check with local recycling or hazardous waste disposal facilities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the DECAPPER AND BASE LEE PRECISION LEE DECAPPER & BASE, please contact your local dealer or the manufacturer directly for assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with the DECAPPER AND BASE LEE PRECISION LEE DECAPPER & BASE. Always prioritize safety and compliance with local laws when handling ammunition components. Thank you for your attention to these important guidelines.
